Dear Parents/Caregivers

**Marryatville High School - Donations**

Parents/caregivers who wish to make a donation to the following areas will receive a separate receipt for their donation with the appropriate ABN number stamped on the receipt.

- **Building Fund & Library Fund – (Tax Deductible).**
  The Building Fund and the Library Fund are both Tax Deductible. Your generous support is greatly appreciated by the Governing Council and the whole school community. These donations allow the Asset Management Committee and Governing Council to plan facility improvements and upgrades and purchase learning resources to meet the needs of your child/children.

- **Christian Pastoral Care Support Worker.**
  Our School offers students the chance to discuss important issues with someone who is not a teacher and closer to their age. This position is supported by the Burnside Inter Church Council. Donations to support the Christian Pastoral Care Support Worker at school would be gratefully appreciated.

*Please note – Building Fund and Library Fund amounts are listed on the bottom of the Statement included in this information Pack.*

Your support is very much appreciated and is needed to maintain the best possible facilities and learning environment for your child/children.

Mark Leahy
Principal
