From the Principal

Dear Parents, Caregivers, Staff and Students

Guiding Principles and Strategic Plan
Following consultation with parents, students and staff, Governing Council is in the final stages of developing our Guiding Principles, a document which clearly identifies our Vision, Values, Mission and Educational Objectives. Our Educational Objectives will drive our 2012-2014 Strategic Plan. These documents are an important part of our ongoing school improvement process as we work towards the continuation of our Council of International Schools Accreditation.

Building Program
We continue to work with the Department of Education and Children’s Services and Architects on planning the Building Program. The agreed scope of works includes:

• Minor works to existing buildings to improve utilisation of space.
• A new 2400m², 2 storey building incorporating science laboratories, general learning areas and central learning commons/resource hub
• Extensive landscape, courtyards and outdoor learning areas to the north and south of the new building
• A new southern pedestrian entry and path including a new bridge across the creek
• Refurbishment of the existing Resource Centre to accommodate consolidated student services, general learning areas and central learning commons/resource hub
• Refurbishment of existing science areas
• Refurbishment of existing reception and administration
• A new external lift to E Block and new internal lift to A Block and other minor works to comply with disability access provisions

• Additional car parks
• 2 replacement tennis courts (final decision pending)

The Architects have indicated that the ‘A’ Block lift will now be internal rather than at the front of the building.

I will provide an update on the Building Program in each Newsletter.

Farewell and Presentation Evening
The 2011 Farewell and Presentation Evening will be held in the Adelaide Town Hall on Monday 24th October. This occasion provides an opportunity for us to recognise and celebrate the achievements of our Year 12 students and wish them the very best for their exams and the future.

National Assessment Program Literacy and Numeracy (NAPLAN)
Parents and Caregivers of Year 9 students will receive a letter and their child’s Report on Friday 30th September. If you do not receive the Report or wish to discuss any matters associated with it, please contact Ms Friedrichs on 8304 8420 early in Term 4.

Term 3 Reports
Student Reports will be issued to all students on Friday 30th September. Please take the time to talk about the Report with your child.

Last Day of Term 3
Students will be dismissed at 2.30pm on Friday 30th September.

Mark Leahy
PRINCIPAL
Music News

PRIMARY SCHOOLS MUSIC FESTIVAL
The Primary Schools Music Festival has been happening at the Festival Theatre for the last 2 weeks. Each year Marryatville ensembles and soloists audition and are chosen to participate as guest artists. This year a number of soloists and small ensembles took part. Of our bigger ensembles, Pops Vocal, Big Band I and Boys’ Vocal also participated. Pops Vocal and Big Band brought the house down with Mr Hammond’s arrangement of “Too Late” by Carol King.

ADELAIDE EISTEDDFOD AWARDS
On Monday September 5th Mr Sils and Concert Choir performed at the Adelaide Eisteddfod awards concert. The Concert Choir was also awarded a medallion and certificate for winning the overall best choir prize. They sang Lamentations of Jeremiah by W. Randall Stroope and were accompanied on piano by Mr Hammond. Daniel Webber also performed at the concert as a clarinet soloist.

YEAR 12 CONCERT
Every year we give the Year 12 performance students an opportunity to perform part of their exam repertoire to a live audience.

This year we moved the concert to Wednesday of Week 8, as the practical exams were held in Week 9, because of New SACE. The event is a fantastic opportunity to hear our students as soloists at their performing peak. The audience was filled with parents, family and friends.

ST DAVID’S BURNSIDE
On Sunday September 18th the Chamber Orchestra and Senior Guitar Ensemble performed a short concert at St David’s Church on Glynburn Road.

Music tutor and director Anna Webb organised this event which gave the Chamber Ensemble another opportunity to perform before the Ensemble Performance exam. Their repertoire included three movements from Grieg’s Holberg Suite and the Slow Movement from Winter of Vivaldi’s Four Seasons. The Senior Guitar Ensemble, directed by music tutor Oliver Fartach-Niarni played a number of pieces, some old and some new repertoire.

GET READY FOR THE JUNIOR CONCERT
The Junior Concert is our school’s major event for the Junior school. It originated when the Town Hall Concert could no longer accommodate all of our extra-curricular ensembles, and so they made their own major event. This concert highlights most of our large junior ensembles and also our junior class choirs. All music students in years 8 and 9 participate. The Junior music awards are also presented at the event.
STUDENT HIGHLIGHT: THOMAS VON EINEM – YEAR 11
SPECIAL MUSIC STUDENT

Australia’s Best Up & Coming Drummer
Competition Intermediate 2011

Thomas was selected in the Top 3 from over 200 applicants from Australia and New Zealand, who had sent in a DVD of various mandatory and free choice pieces. He competed in the Final at Australia’s Ultimate Drummers Weekend, at the Darebin Arts Centre in Melbourne, on Saturday 20th August, 2011. Thomas finished third in the Intermediate final (16 years and under) and received a $700 voucher for goods from various drum companies. This is the third time Thomas has been selected in the finals, previously in the Junior Section in 2005 & 2007. Thomas now has his goal on emulating former Marryatville student, Joel Prime, who won this year’s Open competition.

12th Australian Percussion Eisteddfod

Thomas is a part of the Elder Conservatorium of Music’s Junior Percussion Ensemble, and they spent 27th and 28th of August, 2011 in Sydney competing in this event. Thomas competed in 8 events across several percussion disciplines and had a variety of results.

High School Chamber Ensemble 1st place
Senior High School Percussion Trio 1st place
Senior High School Percussion Ensemble 2nd place
Senior High School Snare Solo 2nd place
Senior High School Drum Kit Solo 2nd place
Senior High School Solo Keyboard 4 Mallet 5th place
and Encouragement Award

Thomas is taught at Marryatville High School by IMS teacher, Mr Peter Matzick, and is undertaking Specialist Studies – Percussion, at the Elder Conservatorium under Jamie Adams.

Thomas is a member of a number of ensembles at school and has recorded a CD this year with the David Goodwin Trio. His ambition is to study Music at the Elder Conservatorium and complete an education degree to continue teaching and studying music.

MUSIC CALENDAR
TERM 4
October 20th (Thur) – W1
Children’s Day
Vale Park Primary
Year 10 Band

October 24th (Mon) – W2
Year 12 Presentation Evening
Adelaide Town Hall
Selected students

October 26th (Wed) – W2
Senior Music Evening
The Stables
Year 12 and 11 Music students, parents and staff

November 2nd (Wed) – W3
New Music Concert
The Stables: 7:00pm – 8:30pm
Selected students performing their own new work

NEW EVENT

Year 8 and 9 Class choirs, Junior Band, Studio Strings, Junior Orchestra, Junior Guitar Ensemble

November 25th (Fri) – W6
Twilight Concert and Art Show
The Flat: 5:30pm – 9:30pm
Various ensembles

December 4th (Sun) – W7
Burnside Carols
Hazelwood Park: 7:00pm – 9:30 pm
Concert Choir
Year 12 Formal

When starting school, the Year 12 Formal is one of the most discussed and anticipated events. It’s an acknowledgment for the years we survived High School and a chance to celebrate the end of our schooling career with the entire year level.

The 2011 Formal was preceded with hours of preparation, shopping and excitement as the girls brought their dresses and the boys suited up. On the night everyone came with their friends in limousines or buses looking amazing in their carefully chosen outfits.

We were given the five star treatment as we were ushered down a red carpet by Ms Stouppos and Mr Bailey into the room which was decorated in the theme of ‘Magic at Midnight’. We had, after much debate, a buffet dinner which left even more time to line up for photo after photo.

The most anticipated part of the evening was the awards: the student-decided awards, such as Mr Modest and Honorary Australian, and then the deadly serious ‘Best Dressed’ awards. The best dressed couple went to Tom Dolan and Mackenzie Brown, while the best dressed male and female went to Fraser Collis and Simone Austen respectively.

At the end of the night everyone got onto the dance floor where we were showered with balloons, before heading off to enjoy our after formal celebrations.

The Marryatville 2011 Formal was a highlight of the year, with the night not soon to be forgotten. It was an opportunity to spend time with friends, an acknowledgement that we would soon be entering adulthood and a tribute to all the hard work we have done in our final year of school.

Rebecca Scarabotti
Year 12 Student
NATIONAL YOUTH SCIENCE FORUM: Orientation and the program ahead in 2012.

Four Year 11 students; Oliver Grenfell, Matthew Nguyen, Matthias Fresacher and Richelle Butcher, have been selected to go to the National Youth Science Forum (NYSF) in January next year.

The forum is designed for students in Year 11 with a keen interest for science. Three twelve day sessions will take place in both Canberra and Perth (Matthias and Matthew attending different sessions in Canberra and Oliver and Richelle attending the Perth sessions).

Since this program is run by Rotary, all students accepted are carefully selected by Rotarians, who consequently pay for a portion of the students expenses on the trip. In order to be accepted into this program, intense interviews were undertaken by the students, to narrow the some 200 original South Australian applicants down to just 40.

Through being selected, the students have already been privileged with the experience of attending Government house last Friday. Also, while attending the forum orientation day, they heard from physicist Dr Tanya Monro, South Australian of the year and past forum attendee.

An abnormally large number of Marryatville students have been accepted into this program this year, which is very good to see. Going from past student experiences, this nation wide program will be a fulfilling and exciting experience for all involved.

Richelle Butcher
Year 11 Student

NATIONAL SCIENCE YOUTH FORUM 2012

Congratulations to the following students who were successful with their applications and interviews: Oliver Grenfell (E07), Mathias Fresacher (E07), Matthew Nguyen (E07) and Richelle Butcher (E07).

They will attend the NATIONAL SCIENCE YOUTH FORUM in either Canberra or Perth in January 2012. They will find out more details soon.

Thank you to Burnside Rotary Club for their assistance.

Again, congratulations to this select group. This is the most number we have had participate in one year.

Manuel Pontikinas
Science Coordinator

OLIPHANT AWARDS 2011

Congratulations to Stephen Samarzia (E9) for his Solid State Tesla Coil Model in the 9-10 Models and Inventions category.

Stephen has also been awarded the Australian Institute of Physics Prize.

SCIENCE CAREERS EXPO 2011

In Week 2, Term 3, Year 10 students attended the Science Careers Expo at Wayville Showgrounds. Students were able to discuss Careers with a range of exhibitors including the Universities.

Feedback from students indicated that it was a worthwhile event prior to the ‘Subject Counselling’ Day.

Thank you to Laura Hudson for organisation of the transport to the Wayville Showgrounds.

SPACE SCHOOL 2011

Congratulations to Oliver Grenfell in his successful application to attend the National Science Camp from October 5-8, 2011. Only 24 students were selected via application from country and metropolitan schools as graduates of the 2010 South Australian Space School.
AUSTRALIAN NATIONAL CHEMISTRY QUIZ
This year Marryatville High School had its largest participation in this International Quiz, with 45 students entering and a most commendable 35 receiving awards.

The Australian National Chemistry Quiz is an International event involving more than 120,000 students from over 1,500 schools from around Australia and 15 other countries. A special congratulations to Matthias Fresacher, who, for the third year in a row will receive a Trophy; an Award of Excellence for outstanding performance.

Congratulations also to the following students:

HIGH DISTINCTION EXCELLENCE – Award of Excellence for outstanding performance:

Matthias Fresacher

HIGH DISTINCTIONS

Lucy Kwon
Julian Smith
Kai Strobel
Richelle Butcher
Eugene Cullity
Sam Hopkinson
Matthew Nguyen

DISTINCTIONS

Thao Dang

Alison Michael
Cong Nguyen
Kailyn Dienelt
Matthew Ferris
Ben Goodwin
John Howie
Jamie Morton
Aileen Van
Jack Ward
Bronwen Jolliffe

SUCCESS IN THE 2011 WESTPAC AUSTRALIAN MATHEMATICS COMPETITION
The results of this year’s Australian Mathematics Competition for the Westpac Awards have recently arrived. We had 77 students sit this year’s competition, and 70 of them received Certificates of Merit (Credit or higher).

Two students, David Wu in Year 9, and David Wong in Year 10, ranked in the top 0.5% of their age group and gained prizes, while a further ten students achieved high distinction awards, with a 99% percentile ranking for their age group.

The Prudence Award winner for the student with the highest number of correct answers in a row, starting from question 1 was Ye Zhu in Year 8. Congratulations!

Marryatville High School Newsletter | Issue 9 | October 2011
PARENTING IDEAS
Adolescence is an exciting, demanding and increasingly complex period for both individuals and families.

In response to these challenging dynamics our school newsletter will now feature a series of parenting ideas and articles written by well-known parenting expert Michael Grose. Michael is the author of a range of parenting books and has regular and columns in newspapers and magazines across Australia. Articles will provide information and insight into adolescent friendships, drinking, bullying, cyber relationships, resilience, concentration and social networks. The article featured in this edition is entitled “Is Your Teenager Sleep Deprived?” We hope that parents and caregivers find these articles useful.

EDEN PARK GARDENING GROUP
The Eden Park Gardening Group would like to invite you to the next meeting.
If you are interested in coming along, the details are below:

Next Meeting
When: Saturday 5th November at 9am
We need a lot of volunteers as we will be shifting 6 tonnes of biomat.
SATAC APPLICATION KEY DATES
All applications for University and TAFE SA courses offered through SATAC are made online at www.satac.edu.au

Friday 30th September 2011
- Early closing date for most undergraduate courses. Apply by this date to save paying a late fee.
- Final closing date for Medicine/Surgery, Dental Surgery and Oral Health at the University of Adelaide. Late applications not accepted.

Friday 2nd December 2011
- Equal consideration closing date for most undergraduate courses. New applications after this date are not guaranteed equal consideration for selection. Check with SATAC before applying after this date.

Wednesday 4th January 2012
- Deadline for existing applicants to change their preferences to most courses and still be guaranteed equal consideration.

Thursday 12th January 2012
- Main January offer round letters posted. Offer information available on UniWeb after 6.00pm.

Monday 23rd January 2012
- Late January offer round letters posted. Offer information available on UniWeb after 6.00pm.

Thursday 2nd February 2012
- February offer round letters posted. Offer information available on UniWeb after 6.00pm.

APPRENTICE 2012 PROGRAM
Australia’s Submarine and Shipbuilding Company ASC are currently seeking Apprentices for the 2012 Program, providing an opportunity to work on Australia’s most innovative and challenging defence projects.
These entry level Mechanical, Electrical and Fabrication position’s, will not only secure your future in the industry but enable you to follow your passion.

The Visual Art and Design students from years 8 to 12 will be displaying their fabulous artworks in an annual exhibition - Art Show 2011. The art and design work will showcase a range of themes and subject matter, representing different styles and genres of art.

Marryatville High School Old Scholar, Meaghan Coles, will be our special guest and ‘open’ the exhibition. The guest speaker will also announce the Senior and Junior Art Prize winners.

The Art Show 2011, held in The Forge, will officially open at 7pm on the 25th November, during a break in the Twilight on the Flat, which will be showcasing students from the Special Interest Music Centre.

It should be a wonderful evening combining the creative talents of our visual and performing arts students, so please come along and support the two events. I hope to see you there.

Glenys Haensel
Visual Arts Co-ordinator

TWILIGHT ON THE FLAT
On November 25 the Special Interest Music Centre and Visual Arts Department of Marryatville High School will present Twilight On The Flat and the opening of the annual Art Exhibition.

This evening will celebrate the re-opening of the outdoor amphitheatre and promises to be a feast of outstanding artistic achievement, both visual and aural. Bring a picnic basket, enjoy the stunning natural environment and relax with family and friends as you listen to a diverse array of musical ensembles. Drinks are available for purchase and no event would be complete without a sausage sizzle.

Your hosts for the musical component of the evening will be the Year 11 Music Studies Class. This evening is the culmination of a great deal of planning and hard work – come along and support them!

The musical performances begin at 5.30pm and there will be a break in the musical proceedings at 7pm for the official opening of the Art Exhibition in The Forge.

Friday 25th November
from 5.30pm

Bring a picnic rug
Food and drink will be available for purchase
YEARBOOK 2011

Work is well underway preparing the Marryatville High School Yearbook 2011. Our Yearbook is a publication to be proud of. It is a celebration of our achievements and an excellent memento of the year, full of photographs, articles and student work.

It’s time to invite families to book pre-paid copies. Order forms will be brought home by students in the last week of Term 3 (Week 10).

The cost of this year’s book is $30.

As there will only be one printing run, all copies must be pre-paid before production.

Payment can be made:
- Over the telephone via the Finance Office (8304 8461)
- Through the Finance Office by cash, cheque or credit card
- By internet payment via BIZGATE on our school website (this is a secure method of credit card payment available for all school accounts. Easy to follow instructions for payment by BIZGATE are available on the Marryatville High School website).

The deadline for payment is the end of Week 5, Term 4 (Friday 18th November).

Once the deadline for payment has passed no further orders can be accepted, so to avoid disappointment, pre-pay as soon as possible, as there will not be any extra copies printed for later purchase.

It is anticipated at this stage that pre-paid copies will be available for collection by the end of the school year.

Ms. Glenys Haensel
Coordinator Visual Arts

MORE CYBERSAFETY FROM THE WELLBEING TEAM

The Australian Communications and Media Authority (A.C.M.A.) have recently produced a short video, “How Cybersmart are you?” http://www.youtube.com/watch?v=JHj0gKGYzF4 this has been released by Cybersmart. The video is designed to help parents navigate through the online world of their teenagers and provides strategies on how to protect their children from potential online risks. The video is well presented and provides sound advice for parents. We recommend that all parents and their children spend five minutes to watch this video together.

Meanwhile we continue to recommend that all computers at home be set up with the Cybersafety Help Button which brings a large amount of information, resources and direct help together in one place and presents this in a way that easy to navigate and find the help you need. The button is available free of charge at www.dbcde.gov.au/helpbutton. It is compatible with both Window and Mac computers.

Rob Tidd
Student Counsellor
For the Wellbeing Team
YOU ARE INVITED TO

What

A Parent Information Forum will be held at Marryatville High School. The forum is entitled “Keeping Them Safe” and will show case a range of expert guest speakers who will provide information on topics such as Cyber Relationships, Safe Teenage Parties & Coping With Anxiety.

A light supper will follow the presentation and parents will then have then opportunity to ask questions and have a look at a range of useful parenting resources.

When

Tuesday 1st November at 6.30pm – 8.30pm

Who

Speakers will provide information and strategies to assist parents in navigating school and adolescence

Cyber Relationships – Dr Barbara Spears – School Of Education - University of South Australia
Managing Anxiety & Building Resilience – Dr Paul Dignam – Psychiatrist
Safe Teenage Parties – Sergeant Kym Foster – SAPOL – Crime Prevention Officer
Student Presentations

Where

The FORGE - Marryatville High School
170 Kensington Road, Marryatville SA 5068

RSVP

To register your interest in attending the Parent Forum, you can;
Return the tear off slip below to the Front Office at Marryatville High School, or
Email: julie.ferguson@marryatvillehs.sa.edu.au or jennifer.hunter@marryatvillehs.sa.edu.au
Telephone: 8304 8420

COPING WITH SCHOOL AND ADOLESCENCE PARENT FORUM - REPLY SLIP

would like to attend the Parent Information Forum on Tuesday 1st November at 6.30 pm. There will be a total of guests in our party.
MARRYATVILLE 10 YEAR REUNION

Saturday 12th November, 2011

The Old Exchange Hotel, 235 Grenfell Street Adelaide

7pm-11pm

$33 per person including venue hire, decorations, cocktail food and your first drink. Additional drinks can be purchased from the bar.

Tickets can be purchased online from: http://www.trybooking.com/VXG

Call or email Kirsty Stark on 0422 433 543 or kirsty@kirstystark.com for more details, or search for “Marryatville 10 Year Reunion” on Facebook.

Bookings close on November 1st.

YEAR 12 2001
Is your teenager sleep-deprived?

Sleep research has shown that the brain practises what it has learned during the day when a young person is asleep. So sufficient sleep consolidates past learning as well as keeps a young person fresh to maximise their future learning.

Many teenagers today are sleep deprived because they don’t get enough sleep. They need between nine and 10 hours sleep each night, yet most get about seven or eight hours sleep. Some get less.

Sleep deprivation is akin to jet lag, where they don’t function at their optimum.

The sleep-wake cycle for teenagers is delayed by up to two hours. That is, they are sleepy later and awake later than when they were children.

Most teens secrete melatonin, which makes them sleepy, around 11.00pm, which makes the time before then a sleepless zone. Children secrete melatonin far earlier than this.

Cortisol, the chemical that wakes them up, is secreted at 8.15am for many teens. It seems the teen brain wants to be asleep just when most have woken up.

One US study found that 20% of teens were asleep in class in the morning, which had catastrophic effects on learning. As a result a number of high schools have delayed the start of school time to accommodate the teen sleep-wake cycle. This enables teens not only to get more sleep but to be at their best (or at least awake) when they are at school.

The results were startling and immediate, including better learning, better behaviour, less fights and fewer kids dropping out of school.

Sleep maximises brain growth, which occurs during adolescence. Sleep also consolidates learning. Sleep research has shown that the brain practises what it has learned during the day when a young person is asleep. So sufficient sleep consolidates past learning as well as keeps a young person fresh to maximise their future learning.

Sleep experts have noted that children who develop good sleep patterns tend to carry these into adolescence.

Good sleep habits include:

1. **Regular bed-times.** Kids may fight this, but be regular during the week and let kids stay up a little later on weekends.

2. **Have a wind-down time** of up to 45 minutes prior to bed. This includes, removing TV and other stimuli, calming children down, and limiting food intake (and caffeine for teens).

3. **An established bed-time routine** that makes the brain associate behaviours such as cleaning your teeth and reading in bed with sleep.

4. **Keeping bedrooms for sleep** and not for TV. Bedrooms that resemble caves seem to be recommended.

5. **Maximising the three sleep cues** of: darkness (cave-like bedroom), lowering body temperature (baths can be good for this) and melatonin (work within their cycle).

Better knowledge of the biology of sleep and of sleep patterns, as well as instigating good habits, will go a long way to helping kids and teens get a good night’s sleep.

Sleep tips for teens

1. **Allow them to catch up on lost sleep during the weekends.**

2. **Help your young person schedule their after school activities to free up more time for rest.**

3. **Discuss ways to limit stimulating activities such as television and computer around bedtime. Encourage restful activities such as reading.**

4. **Afternoon naps are good ways to recharge their batteries.**

5. **Make sure they go to bed early each Sunday night to prepare for the coming week.**

ABSENTEES, LATE ARRIVALS, EARLY LEavers

For all absentees please call Student Services on 8304 8426.

For late arrivals from 8:30am, students need to sign in at either Student Services or the Library. Year 12 students can sign in at the Eden Park campus. They are expected to have a note for their home group teacher the next day.

Students who need to leave early need to sign out through Student Services.

Please contact Penny at Student Services if you have messages about students arriving late or needing to leave early.

THANK YOU

The Governing Council of Marryatville High School wishes to thank the following for their generous support of Marryatville in Concert which was held on Thursday 25th August 2011.

Alan Aungles, Rob Chenoweth and Dave Winnall courtesy of the DECS Instrumental Service

Oliver Fartach-Naini, Anna Webb and Adam Lutley (Music Tutors)

Keith Hempton – MC for the evening

Adelaide Town Hall Front of House and Catering staff

SE Productions for the DVD production of the concert

Old Scholars who were part of the evening

Staff and students of Marryatville High School
