From the Principal

Dear Parents, Caregivers, Staff and Students

Welcome back to Term 2 at Marryatville High School. In particular I would like to welcome students and families who are new to our school community. I hope everyone has had an enjoyable and restful holiday.

Governing Council Vacancy

There is a casual vacancy on the Marryatville High School Governing Council for the rest of 2010, due to a resignation. We are currently seeking parents to express their interest to serve on the Governing Council for the rest of 2010. Meetings are on the second Tuesday of each month during term time. Please contact the Chairperson, Markus Trezise, to express interest or ask any questions in relation to this position.

Open Day

The Marryatville High School Open Day on Sunday May 2nd provided an opportunity for members of our community to visit the school, talk with staff and students and obtain information about our programs. A large number of people took the opportunity to come along and judging by the informal feedback it was a very successful occasion. I would like to thank staff for giving up their time on a Sunday to set up displays, work with students and share information. I appreciate the support of the Student Representative Council and large number of students who contributed significantly to the success of the day. The work of the Old Scholars, Parents and Friends, The Friends of Music and the Eden Park Garden Group once again indicated the support we enjoy from our community.

Year 7-8 Transition

If you have a son or daughter in year 7 who currently attends a school other than a Department of Education & Children’s Services primary school and who wishes to enrol at Marryatville High School for 2011, you can either contact the Felixstow Regional Office to request an enrolment form (8366 8851) or Marryatville High School has a limited number of enrolment packages.

Aquatics Camps

Year 9 students and a number of staff are participating in Aquatics camps at Murray Bridge in weeks 3 and 4 of this term. Students will engage in a variety of activities, including water skiing, sail boarding, kayaking and knee boarding.

Parent Teacher Evening

It was pleasing to see so many parents taking the opportunity to meet with subject teachers at our Parent Teacher afternoon and evening on Wednesday 31st March. If you missed this opportunity please feel free to contact subject teachers to discuss any concerns you have.

Eden Park Garden

I would like to thank the following people for their work in the gardens at Eden Park on Saturday 1st May:

Vanessa & Jamie Timbrell, Peter Turner, Claire Harris & Edwin Harris, Markus Trezise, David Mahon, Meredith Waters, Val & Tim Konetschka, Phil & Janet Purling, Leslie Taylor, Peter Tronnolone, Chris Cann, Kellie Trickett, Russell, Kathryn, Keith & Eliza Daddridge, Maggie Tatarko, Sue Shywolup, Brian Peat, Kathleen Heraghty, Melanie Williams, Don Kimber, Monika & Duncan Todd, Andrew Lyons-Reid, Sharon Ouswerkerk and Ros Blue.

Gardeners will be working again on Saturday June 5th from 1pm to 4pm.

Year 11 and 12 Drama Productions

Senior Drama Productions are a feature of the school calendar. During semester one three plays are in rehearsal. Please support the students by attending one of our production evenings. All tickets are available at the door.

Peer Support 2010

The Peer Support Program program involves trained Year 11 leaders working with small groups of Year 8’s in their first two terms of high school. It is based on the belief that improving social skills and confidence in people, particularly at an early age, can assist with the development of positive relationships and self esteem.
Year 11 and 12 Drama Productions

Senior Drama Productions are a feature of the school calendar. During semester one three plays are in rehearsal. Please support the students by attending one of our production evenings. All tickets are available at the door.

Year 12 – ‘The Chapel Perilous’ by Dorothy Hewett directed by Earle Kilvert.

August 2-6 at The Forge Theatre

Sally Banner is the central character of the play The Chapel Perilous; she is the lone questing figure with high ideals who is disillusioned and brought down by the prejudices and small mindedness of others; she herself contravenes the existing moral values of her culture as she tries to locate her identity. With an onstage rock band and a fantastic set this play should not be missed.

Year 11 – ‘The Clink’ and ‘Freedom of the City’

June 8-10 at The Forge Theatre

The Freedom of the City, directed by Brant Eustice, is a powerful and often amusing account of the lives of ordinary people in an occupied city. It is set in Northern Ireland in 1973 and is by Brian Friel, the author of Dancing at Lughnasa. The students are very excited to be getting their teeth stuck into such a classic piece of 20th Century theatre.

The Clink, directed by David McVicar, written by Stephen Jeffries, is an outrageous comedy set in Elizabethan England. Two fools, Thomas and Lucius Bodkin, get embroiled in the intrigues surrounding the succession to the throne when Queen Elizabeth dies. A very funny show!

Both productions will have sets designed and constructed by students from Mr Kilvert’s Year 10 and 11 Drama Technology classes.
Advantage SA Advertisement and DVD

The Drama Faculty was recently approached by Advantage SA (formerly SA Great) to provide the actors for a TV advertisement and DVD to promote the Speaker’s in Schools programme. A group of year 11 Drama students spent Tuesday March 25th with Kojo productions shooting the advertisement which will be shown on all commercial TV stations and the DVD which we will be released to all state secondary schools. Newsreader Kate Collins and Adelaide United captain Travis Dodd were the feature personalities in the filming which was shot in The Forge and the school library. Kojo productions were very impressed with the professionalism and skills of the students involved—congratulations to Emma Barley, Nicholas Boyd, Alexandra Cockrell, Imre Dawe, Lewis Flanagan, Jake Francis, Jessica Gysin-Webster, Tegan Hay, Amelia Jutilane-Maynard, Rachel Laye, Cameron Lane, Joshua Mensch, Hannah Nicholson, Imra, Amelia, Rachel, Tegan, Josh and Cameron on set with Kate Collins

Singapore Drama Tour

The Drama Faculty has an annual exchange programme with Anderson Secondary School from Singapore. This year 21 students and three staff from Anderson will visit Marryatville High School from June 22-26. The Anderson students will present a play that they are writing alongside our three year ten Drama classes. The showcase of plays will be presented on Friday night June 25, from 7pm at The Forge Theatre. Mr Eustice, Mr Kilvert and Mr McVicar are developing plays based on the theme ‘The Family’ with their year ten classes to be performed with the Anderson students. A feature of the tour is home stay where the Singapore students stay with a Marryatville family. At this stage we are still seeking a few homestay hosts – for girls aged 14-16. If you are interested please call David McVicar on 0431501176. An interested group of MHS students will travel to Singapore next year.
Cyberbully Show

A group of year 11s are working together to produce a performance piece for local Primary Schools. It will be entirely written, performed and constructed by the students. The show is about bullying through new media and has the working title The Cyberbully Show. It will be a multi-media performance mixing video, journalism, music, comedy and drama. As part of the development the young artists will have the opportunity to spend an afternoon under the guidance of renowned South Australian director, actor and musician, Michael Hill. They will also get to tour the show in week 11 of this term – in a tour bus! Although they are working in their spare time, the students will gain 10 SACE credits for the work in the new SACE subject Integrated Learning. This project is funded through a $5000 grant awarded by the Minister for Education.

‘Grug’ at The Forge

Windmill Theatre Company have recently completed their season of ‘Grug’ at The Forge Theatre. Windmill is a national theatre company based in Adelaide. ‘Grug’, the play, is based on the much loved picture book character created by Ted Prior. Grug began his life as the top of a Burrawong tree that fell to the ground. Resembling a small, striped haystack with feet and a nose, Grug is fascinated by the world around him and solves everyday problems creatively and without fuss. Using puppetry and live action this show played to hundreds of kindergarten and junior primary students over two weeks in April. Our Year 8 Drama students viewed the show and wrote a theatre review of the play and one of our year 12 students, Aidan Tothill, assisted the company with their initial technical set up.
Peer Support 2010

The Peer Support Program program involves trained Year 11 leaders working with small groups of Year 8’s in their first two terms of high school. It is based on the belief that improving social skills and confidence in people, particularly at an early age, can assist with the development of positive relationships and self esteem.

The program aims to assist year 8 students in making a smooth transition into Marryatville High School by promoting feelings of belonging and developing positive connections between junior and senior students.

Throughout term one the Year 11 Peer Support Leaders worked with Year 8’s to facilitate a range of fun and learning activities. These included a Home Group Games, Splash Carnival and a Lunchtime Volleyball Competition.

Term 1 culminated with a whole day Team Building excursion at Monarto Zoo. During this excursion Year 11 leaders facilitated a morning of Team Challenges in the bush land at Monarto. Students had to work together to get their team over an electric fence, negotiate a lava river, deactivate a toxic bomb, build a structure, find north using the sun, cooperate to carry a heavy log, climb terraces and navigate a maze. The challenges required Year 8 students to use skills in communication, problem solving and team work to successfully complete the tasks. In the afternoon, students had the opportunity to see some animals, including the Zoo’s newest attraction, the Chimpanzees, during a well earned tour.

As a result of the positive connections established with the Zoo, some of our Year 8 Home Groups have elected to link their Yr 8 Class Project with Monarto.

One home group will be completing a community art sculpture for display in the zoo, and another will be involved in a mobile phone recycling project, to assist with animal habitat preservation.

Special congratulations must go to the Year 11 peer Support Leaders who played a significant role in the planning, organization and facilitation of the activities. These students have been exemplary role models and participated with energy and enthusiasm throughout the term. During Term 2 they will continue in their role and facilitate a series of sessions focusing on Healthy Relationships and Bullying.

Year 10 Jazz Combo

The year 10 Jazz Combo, under the direction of Jason Hammond, has been busy extending its repertoire and experiencing various performance situations. In term one they performed in the Forge at Grandparents’ Day.

During the holidays the Combo had a paid gig playing background music in the foyer of the Adelaide Town Hall. Members of the Commonwealth Club had gathered for an anniversary event and were entertained by the Combo as they waited to be seated. One of the guests at the event was television personality Keith Conlon. Keith is an accomplished jazz musician and has played drum-kit in various ensembles. Keith came up to the combo and asked if he could sit in with the band. Keith performed two pieces, “Jazz Me Blues” and “Lazy River” with the band who were very impressed with his skills and confidence.

Boys’ choral workshop

At the end of term one members of the Boys’ Choir, conducted by Aldis Sils, took the opportunity to participate in a barbershop vocal workshop. This close voiced form of singing is very popular in America and groups participate all over the world in competitions. The workshop was held at St Peters College Memorial Hall and was attended by over 100 students from 8 schools, both males and females. The workshop began with a demonstration and warm-ups by a “Sweet Adeline” group from Perth and a “Barbershop Quartet” from New Zealand the “Musical Island Boys”. Everyone then split up into a girls’ and boys’ choir to work on a pre-prepared piece.

For the next two hours the song was rehearsed separately in voice parts, then as a group and then after lunch came the choreography. A major part of barber shop singing is the movement used to highlight the meaning of words.

At the end of the day each school group performed a short item followed by the two songs that were workshopped that day. This was a new and very different experience for the MHS boys.

LE CORDON BLEU 2011
Young Australian Entrepreneur Scholarship program $27,400

Attention Year 12 Students
Le Cordon Bleu is pleased to be associated with Marryatville High School by providing opportunities for students to further their studies in the hospitality industry.

Le Cordon Bleu, an icon in the field of International Hospitality, has chosen to implement a very significant scholarship scheme to assist young people who have chosen the hospitality industry as their career.

The scheme is based on an exclusive relationship between Marryatville High School and Le Cordon Bleu.

The scholarship is valued at $27,400 for one of the following Bachelor of Business Degrees based in Adelaide in 2011:

1. International Hotel Management
2. International Restaurant Management

This significant scholarship scheme is specifically aimed at assisting young Australians to gain international qualifications that might not otherwise be beyond their reach.

Le Cordon Bleu’s conditions for the student are as follows:

1. Must be an Australian citizen or have permanent residency
2. Must complete and satisfactorily pass year 12
3. Must be 18 years of age
4. Write a 500 word essay on “Le Cordon Bleu is an icon in providing executive hospitality management programs”, how do you see the Le Cordon Bleu award assisting you in achieving your career goals?”

Judging will take place by members of the Marryatville High school community, with the winner announced at the Year 12 graduation ceremony. The essay must be presented to the front office by Friday 15th October 2010.

The structure of the 2 year Le Cordon Bleu Bachelor degree program and associate fees for 2010/11 are provided below:

* Students can earn between A$10,000 – A$16,000 during 6 months of industry placement.

The above fees cover tuition, examinations, student textbooks, orientation program and part of the professional uniforms required during the program.

• Year 1 is delivered at the Regency Hotel School
• Year 3 is delivered at both Regency Hotel school and University of South Australia
• Year 3 is delivered by University of South Australia

There are 2 intakes in a year: January and July. The degree provides an Australian University Degree as well as the International Le Cordon Bleu award.

The school is required to submit the successful student’s documents before Oct 31st 2010:

• Completed application form
• Copy of birth certificate or passport.
• Certified copy of Year 12 school report and certificate of completion of high school (to be sent at the end of the school year)
• 500 word essay on the above topic.

Le Cordon Bleu is pleased to be associated with Marryatville High School by providing opportunities for students to further their studies in the hospitality industry.

Calling all students with a keen interest in Science: the SASTA Oliphant Science awards return for 2010.

Sir Mark Oliphant was born in 1901 in South Australia and attended state schools here. He was an outstanding student and showed from an early age a love of tinkering and invention, eventually settling on Science as a career path. He is credited as one of the founders of the field of study known as “nuclear physics”. In 1981, after a long career in the science communities of Australia, the UK and USA, and distinguished service as our State Governor, Sir Mark Oliphant agreed to lend his name as patron of the SASTA Oliphant Science Awards.

The Oliphant Science Awards are a fantastic opportunity for students from Year 8 to Year 12 to develop their interest in science. Individuals or groups may be involved; students can pick their topic of study from a supplied list which is based on their chosen form of presentation (i.e. essay, experiment and report, game, model or invention, multimedia, photography or poster). There are PRIZES awarded to the most interesting, creative or original ideas. Cost of entry into the competition is $14.50 for an individual entry and $20 for a group entry of up to 3 students (discount for SASTA members).

Miss Madden will be holding lunchtime information sessions about the Awards and handing out nomination forms during weeks 3 and 4 of this term. Students have until the 3rd of June to nominate.

2010 Marryatville High School Wellbeing Team

As part of a whole school approach to Student Wellbeing a team of interested people meet on two or three Wednesdays each term to address issues of concern across the school and to build and promote Student Wellbeing. We meet at 3.45pm in the Resource Centre. The group is comprised of teachers, counsellors, students, student family members, parents and community support agencies. New members are very welcome. The team works in conjunction (consultation, information, recommendation, feedback) with other working groups within the school including Faculty Leaders, Administration, Student Development, Curriculum Review, SRC, Governing Council, P & F, International Committee and Faculty Groups.

The 2010 Wellbeing Team has a broad focus on projects/programs addressing staff and student wellbeing. 2010 current projects being considered/instigated/in progress are Positive Post Cards and Photos – positive postcards to send home and large photos for display around the school, a Parent Internet Safety Awareness Presentation, Student Life Program – feedback and ideas, Staff Wellbeing Activity Programs, other new wellbeing initiatives and a 2010 Forum for Parents.

We envisage the 2010 Forum for Parents to be a panel presentation from a number of individuals representing a range of community and private organisations which provide services to young people. Presenters may speak for 10 minutes on their service provision and then audience questions and discussion will follow. We are looking for presenters to speak on the following possible aspects of youth wellbeing: teenage nutrition, sleep needs, eating disorder support and services, Psychology services for young people, Mental Health support, time management skills or providing boundaries to teenagers.

If you have a contact with Shine SA, SAPOL, CAMHS or any other relevant agency please contact me at school.

Thank you

So far this year, we have had the Year 8 BBQ and that was followed by the Year 8 Cheese and Wine night which gave parents a chance to meet each other.

This was a very successful night and we would like to thank everyone who supported this function - the feedback we received was all positive and as a result, we also gained some new committee members!

Next meeting

The next meeting will be held on Tuesday June 22nd at 7.00pm at the Kensington Hotel. The meetings are quite casual but we do book a table, so if you would like to come please RSVP by Friday June 18 to the email below.

We are always looking for new committee members so if you are interested in joining the Parents & Friends you can do so by either contacting Jen Scott via the front office, by calling her on the numbers below or by sending an email to the address below.

**2010 Football Federation of Australia Girls National Junior Championships**

From the 5th to the 7th of April, I was invited to officiate at the 2010 Football Federation of Australia Girls National Junior Championships in Canberra, as one of only two female referees representing South Australia. In total, there were twelve referees aged between 16 and 19 from all over Australia. We all arrived two days before the event commenced and attended an all-day seminar conducted by the National Elite Referees Instructor, Gary Power. The event itself required us to officiate four matches every day, where we would be instructed and coached by elite referees and former FIFA referees. This was followed by a seminar each evening, (needless to say we had no time to do any sightseeing!). I thoroughly enjoyed this invaluable learning experience, making lots of new friends and helping to lift the profile of the Football Federation of South Australia. **Brenna Mackay**

**2nd Human Papillomavirus (Hpv) Vaccine & Varicella Vaccine**

**The Eastern Health Authority (EHA) –** (www.eha.sa.gov.au) will soon be visiting your child’s school to administer the 2nd Human Papillomavirus (HPV) and Varicella immunisations for those Year 8 students where consent has been provided.

If for some reason you did not receive a consent form and you wish your child to be vaccinated, please ask for one at the school office, if unavailable contact EHA on 8132 3600.

If any information you gave on the original consent form has changed, please inform the Authority’s immunisation staff before the date of vaccination on 8132 3600.

Please notify us if:

- Your child has already had the 2nd HPV vaccine with another provider.
- Your child has already had the Varicella Zoster vaccine with another provider.
- You wish to withdraw your consent.
- Your child’s medical condition has changed.

Please note: If your child requires Varicella immunisation and is 14 years of age or older, a second dose of Varicella vaccine is required 1-2 months after the 1st dose. There will be a cost for the 2nd dose, which can be administered at your council immunisation clinic or at your doctors.

Remember: It is your responsibility to advise the vaccinator on the day of immunisation of any change in the information on the consent form, in particular, your child’s medical condition. A signed and dated note presented to the vaccinator on the day of immunisation, from a parent or guardian in your child’s diary is acceptable.
