FROM THE PRINCIPAL

Dear Parents, Caregivers, Staff and Students

Below is the report I provided to the Annual General Meeting of the Governing Council on Tuesday 25th November 2014.

We live in interesting times – certainly true of life at Marryatville High School in 2014. Students and staff returned to school in January to celebrate the wonderful achievement of our 2013 Year 12 students and were quickly engaged in the academic, cultural, sporting and social programs that define our school. Late in Term One we had the Council of International Schools Team Visit, the outcome of which was our re-accreditation in May. At the beginning of Term Two we had the excitement and challenge of moving into the New Building and work continued on refurbishing other areas of the School. It is a tribute to our students and staff that we have maintained our good humour and high standard of work through these interesting times.

Our Guiding Principles clearly articulate our Vision, Values, Mission and Educational Objectives and is the reference for strategic planning and resource allocation. Implementation of the Australian Curriculum and a continued emphasis on quality teaching and learning and student wellbeing have been significant priorities in 2014 and will continue to be a focus in 2015. All students are offered a broad range of attainable pathways and opportunities to develop global understandings aligned with the Guiding Principles. Our Building Program will be completed by the end of 2014, with the exception of some landscaping.

Our Strategic Plan (Site Learning Plan) has been updated to include the Council of International Schools recommendations.

It isn’t possible in this Report to capture all the highlights and achievements of 2014. Collectively our Newsletters, Annual Report and the 2014 Yearbook provide a comprehensive insight into 2014 at Marryatville High School.

Highlights and achievements in 2014 include but are not limited to:

- re-accreditation by the Council of International Schools
- outstanding results by our 2013 Year 12 students
- strong NAPLAN results
- student involvement and success in a range of competitions
- the success of our Student Life Program
- implementation of the Australian Curriculum
- student commitment and involvement with our Co-Curricular Program
- a range of successful events and opportunities for parents and families to engage with the School community including Year Level Information Evenings, Open Day, Grandparents Day, Parent Wellbeing Forums, the Art Exhibition, Course Counselling Day, Music Concerts and Drama performances
- hosting a number of international visitors and Study Tours
- a wonderful Town Hall Concert showcasing the ability and work of our students and staff
- classes commencing in the New Building at the beginning of Term 2
- outstanding achievement by our Music students at the Generations in Jazz national competitions
- Ms Leonie Hempton being awarded the Medal of the Order of Australia in the Australia Day Honours.

At our recent Farewell and Presentation Evening I congratulated our Year 12 students on their achievements and expressed my appreciation of their significant contribution to Marryatville High School. I would like to extend those sentiments to other students who may be leaving our School at the end of 2014 and hope that they take with them many happy memories of their time here and the people who have shared it with them.

continued on page 2
From the Principal

continued from page 1

I would like to thank our School Captains, Grace Lane and Matthew Howard for their leadership of the Student Representative Council and their work in ensuring that the voice of our students is an integral part of decision making. I have appreciated the strategic leadership and support of our Governing Council and would like to thank each member for the time and energy they have devoted to our School. In particular I would like to acknowledge the significant contribution of the Chairperson, Mr Peter Handsworth.

The assistance provided by our volunteers, including the Parents and Friends Committee, the Eden Park Garden Group, the Sports Council, the Friends of Music and the Old Scholars Association enriches the experiences we are able to offer students. Please accept our thanks and appreciation for your work. I would like to thank our staff whose professionalism and commitment ensures that students have a rewarding and enjoyable time here and are well prepared for life.

On behalf of our School Community I would like to thank:

Jan Beyer  Earle Kilvert  Joe Seccafien
David Goodwin  David McVicar  Rudi Spacek
Julie Johnson  Leonie Sawley  Anna Wyett

for their commitment and work over many years and wish them well in their retirement.

Building Program

I am very pleased to report that building work should be finished before the start of the 2015 school year. The Counselling Building will be demolished over the holidays and staff will commence work in the new Student Services facility when they return after the holidays. Leadership, administration, and finance staff will move back into ‘A’ Block over the holidays ready for the new year. We expect landscaping work to be completed before students return. It is a tribute to our students, staff and community that we have been able to maintain our programs with minimal interruption through the building work.

Timetable 2015:
Student Life Program – a minor change

We have developed our Timetable for 2015 to ensure that we have a smooth start to the School Year. From the beginning of 2015 the school day will start with lesson 1 at 8.35am and the Student Life Program will occur immediately before recess each day rather than at the beginning of the day. Students will be required to be on the grounds by 8.30am each day and the last lesson will finish at 3.15pm except on Tuesday when it will be 2.25pm. There is no change to the time school commences or finishes.

Arrangements for Friday 12th December

On the afternoon of Friday December 12th students will be dismissed at 12.30pm and staff will be farewelling colleagues who will not be at Marryatville in 2015. Reports can be posted home if students have provided a stamped self-addressed envelope. They can also be collected from Student Services between 9.00am and 3.00pm on Monday 15th December and Tuesday 16th December.

I wish everyone in our community a safe and enjoyable festive season.

Mark Leahy
Principal
SOME MAJOR EVENTS IN 2015

2015 is already filling up with fantastic events and performance opportunities for our students. Not only are we planning our regular Major Events, we have been invited to participate in a number of exciting new ventures.

It is gratifying to know that these new projects have arisen because of the continued excellence of our students. Professional organisations are confident to engage our ensembles, as our students have always performed at a high level and are dependable.

The Concert Choir has been invited by the Adelaide Philharmonia Chorus to participate in the Last Night of the Proms Concerts by the Adelaide Symphony Orchestra at the Festival Theatre.

Embracing the spirit of the famed BBC Proms, the rousing program promises to please monarchists and republicans alike. Audience will be able to stand shoulder to shoulder with fellow music lovers and sing along with such favourites as Rule Britannia, God Save the Queen and Jerusalem. This fun-filled evening will celebrate the best of British and Flag-waving will be welcome.

Generations in Jazz in 2015 will happen at the end of Week 1 of Term 2 and our Band and vocal ensembles are already busy rehearsing. The timing of Easter means that the Jazz Cabaret will be held on Thursday night of Week 11.

The Concert Choir has been invited to the prestigious choral festival in Melbourne – Choralfest. This event will happen on the weekend at the end of Week 2 of Term 2. The Concert Choir is only one or two choirs from South Australia selected to participate.

In Term 2 the Special Interest Music Centre will be working with Adelaide Baroque, in a joint project at The Foundry, to rehearse and perform The Ode to St Cecilia by Henry Purcell. The Baroque Ensemble and Concert Choir shall have the opportunity to work with and learn from Baroque specialists from around Australia.

The ABODA Band festival will happen in Week 5 of Term 3. We hope that we will be able to enter a variety of ensembles including Big Bands and percussion ensembles.

Our major concert for the year is the Town Hall Concert. In 2015 it will be on Wednesday of Week 6 in Term 3.

Last Night of the Proms - Adelaide Symphony Orchestra (March 28-29: T1 W9)
Jazz Cabaret (April 9: T1 W11)
Generations in Jazz (May 1-3: T2 W1)
Choralfest in Melbourne (May 9-12: T2 W2)
Purcell's Ode to St Cecilia with Adelaide Baroque (June 21: T2 W8)
ABODA Band Festival (August 19-21: T3 W5)
Town Hall Concert (August 26: T3 W6)

A complete Major Events calendar will be published at the beginning of 2015.

A link for embedding our online music calendar will be provided in our 1st Newsletter.

WOMEN’S AND CHILDREN’S HOSPITAL FOUNDATION WEBATHON

The Webathon was telecast and streamed live on Saturday November 22nd from Concordia College and was hosted by Channel 9’s Richard Wilkins.

The Webathon celebrated and showcased the creative talents of Year 9, 10, 11 and 12 students from seven Adelaide schools, featuring award winning videos, music clips and interviews.

Marryatville Year 11 music students Ciara Ferguson and Sebastian Hogan were interviewed by Wilkins live to air, and the Town Hall Concert recording of Hallelujah was telecast as Marryatville’s other contribution to the show. A further short segment was unfortunately not used because of time constraints.

The Webathon aimed to raise $100,000 to fund vital equipment, services and research needed to support the care of thousands of children and babies who are admitted to the WCH each year.

JAZZ IMPROVISATION AND CLASSICAL IMPROVISATION

Over the past few years we have developed and implemented improvisation tuition in both jazz and traditional styles. The learning outcomes from these two exciting and innovative offerings, has exceeded our expectations. Students have provided positive feedback about the benefits of these lessons and opportunities.

This has prompted the faculty to find ways of integrating features of these lessons into our classroom programs. We will continue to offer greater opportunities for students to access these learning opportunities. Both Jazz and Classical Improvisation will continue to be offered through private tuition (paid for by parents). Information about these classes will be available at the beginning of 2015.

Aldis Sils
Head of Music

Musical development class – dancing

Henry Thong from Glenunga High School and Peter Cheyne from Marryatville High School, won the Senior Secondary Documentary at the Australian Awards for ATOM (Australian Teachers of Media) for “Urban Exploration”.

The Awards were at Federation Hall in Melbourne 28th October 2014. Peter is a former student of Marryatville Primary School who had 4 finalists for a primary school section for 2014 ‘my story my content’ section.
The official ‘opening’ of the 2014 Art Exhibition was successful and attended by many on the evening of Friday 21st November, in the Forge.

Our four guest speakers, Jeremy Leone, Abbey Nicholson, Rebekah Ciui and Lily Coats spoke fluently of their experiences, personalised quests and journeys within the Visual Arts. This passionate involvement was strongly emphasised, captured and reflected in their individual art and design works.

We were entertained by a lively ensemble of musicians: Harrison Smith, Arthur Craig, Bonnie Aue, Caspar Hawksley, Sidney Millar and later, Sarah Jo Bramfit spontaneously sang with them.

Delicious refreshments were kindly provided by the Marryatville High School Parents and Friends Association.

The following awards were announced:
Year 8 Art – Ella Di Stasio
Year 9 Art – Maddie Hobbs
Year 10 Art – Loretta Siu
Year 8-10 Sculpture – Georgia Gilles
Year 11 Art – Sue Lee
Year 11-12 Sculpture – Luna de Lara
Year 12 Art – Jessica Bate
Year 12 Design – Jeremy Leone

Thank you to all who attended and supported to ensure that this event was a great success.

Glenys Haensel
Co-ordinator of Visual Arts
Zoo Snooze

On the 17th of November, Ms Karageorge’s Year 8 science class together with Mr Nikkerud caught a bus to the Adelaide Zoo where they participated in an educational program called Zoo Snooze.

Zoo Snooze is a program where children from primary school, right through to high school, can have the amazing experience of sleeping in tents on the roof of the Zoo’s Education Centre.

The 21 Year 8 students left Marryatville High School at 11.30am, on the 17th of November, caught the 142 bus into the city, and got off next to the Adelaide Hospital. From there, they walked into the Botanical Gardens, and had lunch/recess at a gorgeous café, where the students had the opportunity to observe the beautiful native plants. Once the students had finished eating, they walked from the Botanical Gardens to the back entrance of the Adelaide Zoo, and from there into the Education Centre.

In the Education Centre, they had an introduction from a zoo worker named John. He explained to the students what ‘Going MAD’ meant. The word MAD stands for “Making A Difference”. It means that everybody has the ability to make a difference in this world. John explained to the students what making a difference environmentally means. Making a difference environmentally is, for example not poaching animals and using their body parts for clothing and to not buy these illegal products. Another example of making a difference environmentally is to not clear masses of land for growing crops. Clearing land can cause loss of animal habitats; which makes their lives more difficult to survive because of exposure to predators, and no environment to breed. The zoo had a stunning selection of illegal items which were made out of animals that were poached for their unique body parts, and brought into the country. These items were confiscated, cleaned and then brought into the zoo for people to learn from.

After the introduction, the students settled into their tents, got changed, and then got ready for a tour/wander around in the zoo. In small groups of 3-5, students walked around the zoo and observed and learned about the animals. They had booklets to fill in about endangered animals and species such as the Samaritan Tiger, Orang-utans, Giant Panda and Chimpanzees. The students had the opportunity to attend animal feeding shows, and at 4pm, all of the students gathered back at the camp for afternoon tea.

Throughout the zoo snooze, the students had the responsibility of preparing meals and cleaning up afterwards. The students approached these tasks with a cooperative and helpful attitude, and in the end, they had prepared delicious and healthy meals. For afternoon tea, the students had a variety of fruits and biscuits to eat. Once all the scraps had been packed up, the students had an hour to wander around the zoo. They then met back at the camp at about 5pm, where they met the night instructor Abby.

For dinner, a delicious BBQ was cooked and served by some of the students. Dinner was followed by dessert which was ice-cream, and then the students gathered in the Education Centre where they did an adaptation activity. The students had to get in small groups, pick one scenario, and then create an animal that would survive in that environment. They then picked a movie (Monsters inc) and started watching it, but had to stop in the middle to go on a night walk. The students then did an orienteering activity during the night walk. They walked through Zoo in the dark, using torches covered in red cellophane so that the light wouldn’t harm the animals’ eyes. The orienteering activity required the students to mark the location of animals’ enclosures on a map. Once the night walk was over, the students finished watching the movie and went to bed at 11pm.

The next morning, the students woke up at 7am, packed up their tents and ate breakfast. They walked around as a class and watched animals wake up. The class spent some time watching the Giant Pandas eat breakfast (bamboo), and then the students split up, and spent the rest of the day walking around the zoo, filling in the booklets. The class gathered for lunch, and they also gathered to watch a bird show. At the end of the day, the whole class met up at the children’s zoo, and had the opportunity to pat the animals such as the Sheep and Goats.

Ms Karageorge then gave chocolates to the students as a thank you and good-bye, and then the students waited around the back of the zoo to be picked up by their parents and be taken home.

Overall, the Zoo Snooze was a fun and educational program that all of the students from Ms Karageorge’s Year 8 science class enjoyed.

Brittany Shelton
Year 8 Student
YEAR 10 WORK EXPERIENCE PROGRAM 2015

The Work Experience program is the option available to Year 10 students not attending the snow tour during Week Three of Term Three (Monday to Friday 3rd - 7th August 2015). Students selecting this program will participate in a 35-hour work experience in a business, industry or voluntary work of their choice. Please note work experience is unpaid.

There will be an opportunity for students to evaluate and reflect on their personal development in a work context and its subsequent impact on their Personal Learning Plan. Task 3: Work and Employment Skills Evaluation.

Students are required to find their own placement. The school is able to assist but does not have placements which are allocated to students. It is not recommended that students complete the work experience placement with parents or family, but parental assistance in finding a suitable placement for their child is requested.

In agreeing to be part of the program, students will be required to:

- Complete and return a Work Agreement form prior to placement. The form is a legally binding agreement between the student and the employer and it is essential that all information is read and understood with signatures entered where appropriate.
- Attend a 5 hour induction program at school.

Students planning to complete work experience in a child care or preschool centre require DCSI Child Related Employment Screening. Applications for the screening must be completed by the end of Term 1 as the DCSI screening request can take from 8 – 16 weeks to be processed. Please note Primary School Work Placements will not require a Criminal History Screening. There is no cost to parents and a current application form can be collected from Mrs Hudson.

For further enquiries please contact Laura Hudson during school hours on 8304 8420.

Pathways Counsellor - Coordinator

PRIZE-WINNERS IN THE AUSTRALIAN MATHEMATICS COMPETITION ATTEND EXTENSION WORKSHOP

Recently two of our Year 8 students received special awards from the Australian Mathematics Trust at a ceremony in Adelaide. Sosuke Mukai gained a prize based on his overall score in the AMC. His result placed him in the top 0.3%.

Fin Edwards won a prize for an outstanding “Prudence” award in the same competition. He correctly answered the first 17 questions in a row in the AMC Year 8 paper.

Both students attended a special workshop on problem-solving run by Professor Mike Clapper from the University of Canberra. Mr Peilschmidt represented our staff at a workshop for teachers run by the same people.

Well done to all involved.

David Goodwin
Maths Coordinator

Fin Edwards and Sosuke Mukai
OPERATION CHRISTMAS CHILD

Samaritan’s Purse is a Christian charity that runs Operation Christmas Child. Operation Christmas Child sends shoeboxes to children (2-14yrs old) in South East Asian countries (Vietnam, Thailand, Cambodia) at Christmas time.

The shoeboxes contain plenty of goodies for the children including something to wear, to love, to play with, for school, for hygiene and something special.

For the second consecutive year Marryatville High School participated in Operation Christmas Child. Again, a home group, 86, participated as part of their community project and many students and teachers within Marryatville also participated. In addition, as per last year, Operation Christmas Child set up a stall on Big Day In and Marryatville High School raised over $230! In total, we contributed over 90 shoeboxes! Well done to everyone that contributed!

Thank you to all who participated and support this great cause!

Joash Pak
Christian Pastoral Support Worker

TERRARIUMS & AQUARIUM FOR H BLOCK SCIENCE LABS

Earlier this year, some Year 9 science students at Marryatville High School in two of Ms Karageorge’s science classes made terrariums for the subject Ecosystems.

They created the terrariums using plants found at home and recyclable materials such as plastic bottles. As part of this subject, a large glass terrarium was built for H7. A submission was made to the Parents and Friends Committee to collect funds in order to make a terrarium for each of the other science laboratories, as well as one large aquarium.

On behalf of the Year 9 students, we would like to thank Mr Bryce and the Parents and Friends Committee for their kind donation to make this all possible.

Year 9 Students
Parents & Friends

MHS ART SHOW – FRIDAY 21ST NOVEMBER

The P&F were proud to assist in the staging of the annual MHS Art Show, a wonderful showcase of our talented art students.

The Show was well attended, and the atmosphere was lovely with live music playing and P&F members serving wine and cheese to guests. A big thank you to Glenys Haensel for all her hard work towards organising such a wonderful exhibition.

JOIN THE P&F!!!

Many of our committee members have children in senior years at Marryatville High School which means they won’t be around for much longer!

So we are on the hunt for new members – particularly parents and friends of Year 8 and Year 9 students. We are a friendly group and we meet every six weeks or so at the Kensington Hotel. We organise fundraising events, support school projects, and help to foster a sense of community in the school. It’s a great way to meet other parents and do something positive for your child’s school. We are already planning lots of great events for next year, including a Movie Night, Year 8 Barbecue and Wine and Cheese Night and in conjunction with the Old Scholars the annual Quiz Night. Lots to get excited about!!!!

Our next meeting will be the AGM!! Details below...

AGM 2015 – MONDAY 16 FEBRUARY, 7PM EDEN PARK CAMPUS

The P&F AGM will be held at Eden Park Campus on Monday 16 February at 7pm at Eden Park.

Everyone is welcome to attend, and we especially invite parents with new students at the school. The format of the meeting is quite relaxed, and we would love to see some new faces. If you would like some more information or to RSVP please email:

mhsparentsandfriends@outlook.com

MAILING LIST:

If you would like to be included in our mailing list, please send your details to our email address:

27th November 2014

Dear Parents / Caregivers

Materials and Services Charges - 2015

The Department for Education and Child Development (DECD) allows the Governing Council to set a single Materials and Services Charge (the Prescribed Sum) and pursue payment of this charge provided the majority of the School Community polled is in favour.

The Marryatville High School Governing Council conducted a poll of the School Community, excluding International students during Term 4 regarding setting and collecting the ‘prescribed sum’ of $740.00 plus any applicable subject charges for the 2015 Materials and Services Charge.

Information regarding the poll was sent by post to 956 families. A majority of parents supported the Governing Council’s recommendation to increase the legally recoverable amount to $740.00 plus applicable Subject Charges.

In accordance with procedures, the Principal has ensured the poll was conducted within the requirements. On 26th November 2014 the Principal approved the prescribed sum of $740 plus any applicable subject charges for a specific student to be the legally recoverable amount for 2015.

The Marryatville High School Governing Council and Principal thank the school community for their support.

Peter Handsworth
Chairperson
Marryatville High School Governing Council

**Bus Service Changes - Affecting Student Travel**

*Effective as from Term 1 January 2015*

From Tuesday 27 January 2015 (Term 1), changes will be made to Adelaide’s public transport system.

Some East-West dedicated school bus services will display new school bus numbers when operating. For example: School bus ‘141’ in the afternoon will be renumbered as School bus ‘634’.

In early January 2015, students will be able to check if their regular bus services are changing by visiting [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) or calling the Adelaide Metro InfoLine on 1300 311 108.

In addition to the renumbering of school buses, other changes have been made as shown below:

<table>
<thead>
<tr>
<th>New Route Number</th>
<th>Route</th>

### ABSENTEES, LATE ARRIVALS, EARLY LEAVERS

For all absentees please call Student Services on 8304 8426.

For late arrivals, students need to sign in at Student Services. They are expected to have a note for their home group teacher the next day.

Students who need to leave early need to sign out through Student Services.

Please contact Student Services if you have messages about students arriving late or needing to leave early. (Now located in E Block)

### VOLUNTEER HOST FAMILY NEEDED FOR TERM 1, 2015

A female student from Europe is coming to Australia for part of 2015 and needs a home and family for up to 12 weeks beginning in late January 2015. She will move to a new host family in April (or earlier if available), while remaining enrolled at Marryatville High School. The STS student exchange organisation will provide 24/7 support for the student and the family.

The student will fit into your family life and routines so there is no obligation to rush around sightseeing. Most students like to make good friends and spend time with them.

If you are keen to develop lasting relationships, open up new opportunities and show off your culture, please contact Chris Thorburn for further information at Christopher.Thorburn675@schools.sa.edu.au or at school on 8304 8420.

Looking forward to hearing from you.

Chris Thorburn
Coordinator, Languages and International Tours
