FROM THE PRINCIPAL

Dear Parents, Caregivers, Staff and Students

Below is the report I provided to the Annual General Meeting of the Governing Council on Tuesday 24th November 2015

Staff and students returned to school in January to celebrate the outstanding achievement of our 2014 Year 12 students and the conclusion of a significant Building Program, resulting in improved facilities and grounds. We commenced the year with an additional 40 Year 8 students and a total enrolment of 1268 students.

As a school community we have Guiding Principles which include a clear vision for the future to provide excellence in student-centred 21st Century Learning in a global context. Our Values, Mission and Educational Objectives, included in our Guiding Principles, complement our Vision. The Site Learning Plan 2015-2017 clearly documents our improvement agenda and Governing Council receives a progress report at each meeting.

Continued implementation of the Australian Curriculum and an emphasis on quality teaching and learning and student wellbeing have been significant priorities in 2015 and will continue to be a focus in 2016. All students are offered a broad range of attainable pathways and opportunities to develop global understandings aligned with the Guiding Principles. Student achievement and wellbeing continues to reflect the ability, energy and enthusiasm of our students, the commitment of our staff and support of our community.

It isn’t possible in this report to capture all the highlights and achievements of 2015. Collectively our Newsletters, Annual Report and the 2015 Yearbook provide a comprehensive insight into 2015 at Marryatville High School.

Highlights and achievements in 2015 include but are not limited to:

- excellent results by our 2014 Year 12 students
- strong NAPLAN results
- outstanding achievement by our Music students at the Generations in Jazz national competitions
- student involvement and success in a range of competitions
- the success of our Student Life Program
- implementation of the Australian Curriculum
- student commitment and involvement with our Co-Curricular Program
- a wonderful Town Hall Concert showcasing the ability and work of our students and staff
- initiating a review of the Guiding Principles
- commencement of the ICT upgrade
- updating and development of a range of policies
- research and a report by the Governing Council on the weight of students’ bags
- a range of successful events and opportunities for parents and families to engage with the School community including Year Level Information Evenings, Open Day, Grandparents Day, Parent Wellbeing Forums, the Art Exhibition, Music Concerts and Drama performances
- hosting a number of international visitors and study tours

At our recent Farewell and Presentation Evening I congratulated our Year 12 students on their achievements and expressed my appreciation of their significant contribution to Marryatville High School. I would like to extend those sentiments to other students who may be leaving our School at the end of 2015 and hope that they take with them many happy memories of their time here and the people who have shared it with them.

From the Principal

continued from previous page

With over 1250 students, 120 staff and the large number of families and community members who have worked tirelessly in support of the school, there are too many people to thank individually. There are, however, some groups and individuals whose work I would like to acknowledge.

The Student Representative Council has made an invaluable contribution to decision making and our two School Captains, Reuben Baron and Lillian Jolliffe, are to be congratulated on how effectively they have presented the opinions of their peers on a range of important issues.

We are very fortunate in having an outstanding Governing Council which is dedicated to making Marryatville High School the best in education in South Australia. I would like to thank each member of the Council for the time and energy they have devoted to the School. In particular, I would like to thank the Chairperson of the Governing Council, Ms Lorraine Karunaratne for her leadership and commitment.

The Old Scholars, Parents & Friends Committee, the Sports Council and Friends of Music have continued to work tirelessly. There are, of course, many other people who have worked as volunteers in a range of areas to support the school. Please accept our thanks and appreciation for your efforts. This high level of generous assistance plays a significant part in defining the uniqueness of Marryatville High School.

I have particularly enjoyed the opportunity to speak with so many of our parents who have attended functions throughout the year. I would like to thank those families who will be leaving the school this year for your contribution to our community. I would also like to publicly acknowledge the members of staff who continue to go above and beyond their duties to make Marryatville High School so special.

On behalf of our School Community I would like to thank Robyn Prest and Eileen Brimble for their commitment and work over many years and wish them well in their retirement.

Location of the Fiction and Non-Fiction Collections
Following consultation with students, staff and the Governing Council, we will refurbish the current space in E-Block and following the removal of textbooks and AV materials the collections will remain there.

Arrangements for Friday 11th December
On the afternoon of Friday December 11th students will be dismissed at 12.30pm and staff will be farewelling colleagues who will not be at Marryatville in 2016. Reports can be posted home if students have provided a stamped self-addressed envelope. They can also be collected from Student Services between 9.00am and 3.00pm on Monday 14th December and Tuesday 15th December.

I wish everyone in our community a safe and enjoyable festive season.

Mark Leahy
Principal
“Music is Life!”

ELDER HALL CONCERT

Fourth term is when we present our large concert at Elder Hall. This concert highlights the junior music program, especially the elective music class choirs, and the junior co-curricular ensembles. These included the Junior Guitar Ensemble, Studio Strings, Big Band III and Junior Concert Band.

Co-curricular choirs that performed were Boys’ Choir, Girls’ Choir and Junior Choir. Class choirs included Year 8 Boys’ choir, Year 8 Girls’ choir, Year 9 Boys’ choir and Year 9 Girls’ choir.

The Junior Orchestra, which is a class ensemble made up of Special music students from Years 8 and 9 also performed.

After the interval, awards and ensemble medallions were presented to students of merit.

The Elder Hall concert is the second most important concert in our calendar after the Town Hall concert. Having a big music program with many positive outcomes, especially with student ensembles necessitates giving students the opportunity to present their achievements to their peers, parents and a wider listening audience.
NEW MUSIC CONCERT

On Tuesday November 9th students and parents gathered in the Performance area of The Stables to enjoy an inspiring evenings of music. 22 students presented compositions from their creative output this year. The variety of styles and genres was impressive. It included electronic media, live performance, spoken word and film music.

Both Elective and Special Music students performed their compositions. From the Year 9 Indigenous Music Project we were presented in two pieces based in the tradition of Dreaming stories, with the use of storytelling and music.

A number of students resented choral and vocal works which were performed by the Chamber choir, or individual vocalists.

Music Technology in various form was utilised in students’ work. Studio Recording and Music Technology students demonstrated their use of sound manipulation software to develop dance-music, while we saw the use of notation software to create soundtracks for a section of Aardman’s animated film: The Wrong Trousers.

The exploration of genres such as atonal music, minimalism, and various harmonic structures including modes and chromaticism, extended students’ understanding of instrumental timbres and the structured development of ideas.

Once again, the New Music concert demonstrated the breadth of the compositional programs offered at Marryatville High School.

CONGRATULATIONS

IMS Director awarded.

Mr Rob Chenoweth, Instrumental Music teacher has recently been awarded for Recognition of excellence and outstanding contribution to the teaching profession. The award was presented to Mr Chenoweth on World Teacher’s Day (October 30th 2015) by Susan Close, MP Minister for Education. Mr Chenoweth has been associated with Marryatville High School for many years and in that time has nurtured the growth of our jazz program to now include three Big Bands. As the director of our premier Big Band, he has seen the ensemble achieve National Awards and International recognition.

Year 9 Special Interest Music student Ben Smith was recently awarded A+ in his AMEB Grade 8 piano exam.

Year 12 students Aimee Sydney-Jones and Ciara Fergusson were recently awarded the Adelaide Festival Centre Arts Award for 2015. The award is supported by centred and the Adelaide Festival Centre’s education program. The award includes workshops with artists, discounted tickets, giveaways, and invitations to participate in a wide range of arts events and backstage opportunities.
JAMES MORRISON WORKSHOPS AT MARRYATVILLE HIGH SCHOOL

As part of the Generations in Jazz Director’s Award presented to Instrumental Music Service teacher Mr Rob Chenoweth, was the opportunity for James Morrison visit the school and work with the students of the Big Band.

In his generosity and forward thinking, Mr Chenoweth decided to extend this amazing opportunity to all of the participants in the ‘new’ 2015-2016 bands, and some Year 12s who would have otherwise missed out.

Morrison conducted a workshop/rehearsal for each of the bands, and welcomed auditors to each session. The students gained a lot from the experience, especially the reinforcement of the excellent practices they are encouraged to do with their regular directors.

Media personality (and former Special Music student) Matt Gilbertson came with a photographer from the Advertiser in order to write an article about Mr Chenoweth’s award.

While being interviewed, Morrison reiterated why the students at Marryatville SIMC are so successful. “If the Big Bands were to have won at Generations once or twice, you could say that that year had especially talented players, however Marryatville has demonstrated consistent high levels of performance over a number of years, and that level has increased. This is especially amazing because at least a third of the ensembles have different participants each year. Big Band 1 performs at an internationally recognisable professional level. The only difference between this band and a group of professionals, is that Marryatville’s students need to factor in learning the notes. When it comes to performing – they are up there with the best. This does not just come from a bunch of excellent players, but from the high level music program developed at the school, that nurtures students to achieve their very best. All of the teachers, and each part of the program enables students to reach fantastic heights.”

We hope that the Instrumental Music from DECD will continue to support excellent programs and excellent teachers in the future.

Aldis Sils
Head of Music

MARRYATVILLE A FORERUNNER IN DESIGN, PEDAGOGY AND SUSTAINABILITY

In “Landscape Architecture Australia” November issue, Marryatville High School’s new outdoor spaces was awarded the Design Award in the 2015 AILA State Awards.

“The multifaceted spaces aim to rediscover student culture and endeavour to enhance the school’s affiliation with art, performance and nature”. Our students are connected to interdisciplinary learning with our school environment helping to personalise the learning and create an interconnectivity between curriculums and sustainable futures.

THE ARTS IN 2015!

This year’s art programs have seen our students reimagine clothes for sculptural work, avoid the notorious Clink, determine where they belong, make dragons fly, experiment with Ancient Greek Gods, design sustainable homes, travel to far away places and search in Dr Caligari’s cabinet.

Thanks to all parents, friends and staff who have supported our student’s artistic journey and well done to our students whose creativity has made some exciting theatre, art, designs, blogs and websites.

HOST FAMILIES FOR SINGAPORE STUDENTS IN 2016

The Singapore Drama trip in 2015 saw students travel to Singapore and were hosted by families from Anderson College, in 2016 students from Anderson College will travel to Adelaide.

Marryatville High School are looking for families to host students. For further information or to register your interest please contact Sarah MacCulloch at the school or via email sarah.macculloch815@schools.edu.au

MONOLOGUE

In July, I entered a monologue writing competition from HotHouse Theatre in regional Victoria.

I wrote a short 10 minute monologue entitled “A Matter of Life and Death and Small Dinosaurs”, which went on to be short-listed in the High School Category, and eventually won it. As part of the short-listing I travelled to Albury to partake in a short workshopping of my work, as well as an afternoon session with Jane Bodie, a playwright and previous head of screenwriting at NIDA. I was fortunate enough that Jane Bodie offered to workshop my monologue, which was a great experience. On the 7th of September, the theatre company performed the shortlisted monologues where they were judged – and I was lucky enough to be the winner.

“Death is a funny thing. Well, not funny funny, but definitely strange. Though death could have humorous merits when framed a certain way, in fact, much of comedy is based on misery and someone’s pain, and death is just the next step above that, right? And deaths so unrealistic they’re ridiculous are funny, in a sense. It depends on your humour, as comedy is as subjective as anything else, there are certain formulas to getting mainstream ‘funny’, though that’s not real humour, but again, total subjectivity. Anything can be subjective, except maths. But then again I suppose, how the answer is achieved can be considered subjective, and how effective the method is depends on your way of thinking…”

Emily Stewart
Year 11 student
Zoo Snooze

On the 9th of November students from Mrs Karageorge’s and Mr McEgan’s Science classes attended a short one night camp in the Adelaide Zoo. It began at the front oval where the class caught a bus to the Botanic Gardens.

The first lunch break was held inside the gardens. After this the students walked across the park to the zoo and collected their bags from Mr Pontikinas, they were then introduced to the very friendly zoo staff who gave a brief welcome and introduction. We then moved to the roof where we organised our gear in tents.

Groups were assigned special duties. One group prepared a gourmet barbecue dinner. One of the evening’s activities was to design an animal that could live in a particular habitat. This was a huge success as all groups handed up a finalized product that looked outstanding. The highlight of the evening was the night orienteering. We ventured out in one of four large groups with torches and observed the animal behaviour at night.

In the morning we woke to the sound of the monkeys calling and the rooster crowing. After packing our bags we headed downstairs where we were served with a beautiful breakfast cooked by the students. In small groups we walked around to complete our animal study workbook and see all the animals we hadn’t seen. After this we went back to the education centre where zoo staff gave a lesson, showed a video and students were able to hold a lizard. To conclude we saw a show run by one of the zoo staff, in this show we learned more about snakes, frogs and lizards.

Overall, the camp was a huge success as everyone had great fun and learnt lots of interesting facts taught by the zoo staff. Thank you to everyone involved to make this camp possible.

Luka Ilic 809 and Millie Castor 804
Marryatville High School Parents and Friends meet twice a term to plan events that help support the school community and raise money for projects. In the past we’ve assisted with science equipment, sports uniforms, trips, and art framing and wellbeing activities. The P&F would like to welcome all new Year 8 parents to the school and we welcome any new enquiries - we’d love to see you at our next meeting.

Email mhsparentsandfriends@outlook.com for details.

**Movie Night**

Our last event for the year was a very successful movie night at the Regal Theatre. Almost 150 people came along to view “The Dressmaker”, a fabulous Australian movie. Prior to the screening all enjoyed a delectable spread of cheeses and nibbles, and a raffle with some lovely prizes including fresh flowers, day spa vouchers and free movie tickets! A great community event and one we plan to repeat in 2016…watch this space.

**MHS P&F Bookclub**

The Bookclub is going strong with a good number of parents now reading lots of books! This year’s list included The Dressmaker (which was complimented by the movie screening!) and the current novel is “A Man Called Ove”. The next meeting is scheduled for the week of 7th December in the evening at the Robin Hood Hotel. There is space for more members so if you are keen and want some more information and to get the confirmed date please email the club at: mhsbookclubbers@gmail.com

**2016 Events**

We are already planning next year’s calendar which will include the traditional Year 8 Barbecue and Grandparents morning tea…stay tuned for details.

**Next Meeting - AGM - Come Along:**

Our Next Meeting will be the AGM:

**Monday 8th February**

7pm welcome for a 7.30pm start
Eden Park House - The Crescent
Marryatville High School

Everyone is welcome - and we would encourage newcomers!

mhsparentsandfriends@outlook.com

---

**TRIP TO FRANCE CANCELLED**

Unfortunately owing to recent events in Paris a decision was taken to cancel the school trip to France.

While it is sad for the students, staff and French and Australian families that the shared experience will not occur, the safety of all involved is far more important. We hope that the situation will improve to the point where we will be able to travel at the end of next year.

Please take a moment to reflect on all those that have suffered or are suffering in the world through no fault of their own. My five year old grandson was in a shop recently begging for a new triple Star Wars light sabre. When asked why he wanted one so desperately his response brought a smile and a tear. “World peace. With a triple light sabre I can get rid of all the baddies and we will have world peace!” Out of the mouths of babes - there is hope for the future.

**REUNION ISLAND SCHOOL VISIT**

We will be hosting 11 students from Reunion Island from February 27 to March 13.

We are looking for host families to take them into their homes. They are 15-17 years old and some payment for hosting is available. They can also be doubled-up if needed.

Please contact Chris Thorburn at school for further details.

Chris Thorburn
Coordinator of Languages & International Tours
OPERATION CHRISTMAS CHILD

Samaritan’s Purse is a Christian charity that runs Operation Christmas Child. Operation Christmas Child sends shoeboxes to children (2-14yrs old) in South East Asian countries (Vietnam, Thailand, Cambodia) at Christmas time. The shoeboxes contain plenty of goodies for the children including something to wear, to love, to play with, for school, for hygiene and something special.

For the third consecutive year, Marryatville High School participated in Operation Christmas Child. Each year, our participation continues to increase and this year is no exception. A Year 8 homegroup, 83, participated as part of their community project along with many students and teachers within Marryatville High School. In addition, we fundraised over $400 to help support Operation Christmas Child to help with postage and other needs they may have. Well done to homegroup 83 who cooked fried rice to help fundraise!!! In total, we contributed 135 shoeboxes!! A special thanks to students Purnima Seiboth (who donated a large number of boxes) Jessica Graham, Alannah Pace, Jaya Thomas, Ava Ko, Reiniel Cayabyab, Kael Thomas, Lina Tobendanzer and Nelson Peterson for helping out. Well done to everyone that contributed!

Joash Pak
Pastoral Care Worker
25th November 2015

Dear Joash and Marryatville High school students who participated in Operation Christmas Child in 2015,

Thank you for your very generous support of Operation Christmas Child in 2015. Your donation of 135 beautiful shoe boxes, along with those of many others from SA / NT, has enabled us to provide shoe box gifts to bring love, joy and hope to just under 24,800 children – a truly wonderful result! You are amazing!

All of our 2015 shoe boxes are on their way to children in Thailand. As yet our national total has not been finalised, but hopefully in excess of 320,000 children and their family members will be blessed and touched with God’s love in action through these simple gifts from people across Australia and New Zealand.

For the majority of the children, their shoe boxes will be the first gift they have ever received. New toys, clothing and school supplies will be treasured by the children and their parents, who simply can’t afford to buy even such basic items. In this simple way you are making a very real difference in the life of a child in need.

As well as bringing great joy to children in need, the shoe box gifts can often open doors for our national partners to provide longer term community development projects for villages such as clean water filters and wells, the building of schools and provision of teachers, healthcare, vocational training and community empowerment programmes.

Thank you again for partnering with Samaritan’s Purse to bring joy and hope to children in need. Your generosity and compassion is making a very real difference for both children and families.

I look forward to sharing with you, and hopefully to your continued support of Operation Christmas Child in 2016.

With sincere thanks,

Alison Ellis

**WORLD CHALLENGE COMMUNITY PROJECT FUNDRAISER**

On Wednesday December 2 at lunchtime, the World Challenge 2016 team conducted a sausage sizzle to raise funds for their community project in Laos.

The team cooked and served sausages and sold drinks to a welcoming crowd.

The team raised $490 and this will be one of many ventures over the next 12 months as the team prepare for their trip under the leadership of Mr Carl Matthews.

The team would like to publicly thank **NORWOOD FOODLAND** for their generous donations.

Dear Parents / Caregivers

Materials and Services Charges - 2016

The Department for Education and Child Development (DECD) allows the Governing Council to set a single Materials and Services Charge (the Prescribed Sum) and pursue payment of this charge provided the majority of the School Community polled is in favour.

The Marryatville High School Governing Council conducted a poll of the School Community, excluding International students during Term 4 regarding setting and collecting the ‘prescribed sum’ of $780.00 plus any applicable subject charges for the 2016 Materials and Services Charge.

Information regarding the poll was sent by post to 956 families. A majority of parents supported the Governing Council’s recommendation to increase the legally recoverable amount to $780.00 plus applicable Subject Charges.

In accordance with procedures, the Principal has ensured the poll was conducted within the requirements. On 25th November 2015 the Principal approved the prescribed sum of $780 plus any applicable subject charges for a specific student to be the legally recoverable amount for 2016.

The Marryatville High School Governing Council and Principal thank the school community for their support.

Changes to Adelaide Metro public transport across metropolitan Adelaide

On 26 January 2016, the Department of Planning, Transport and Infrastructure (DPTI) and service providers will be making changes to Adelaide Metro public transport services in the metropolitan area.

Some dedicated and regular bus services will be affected and therefore it is important that students obtain information regarding these changes from the Adelaide Metro website at www.adelaidemetro.com.au from early January 2016.

As part of the changes, DPTI will once again conduct a public awareness campaign closer to the implementation date. This will include media advertising including radio traffic reports, information from the Adelaide Metro website and the roll out of detailed customer information through timetables and kerbside information at affected bus stops and tram stations.

Information will also be available via the Adelaide Metro InfoLine 1300 311 108 and the Adelaide Metro InfoCentres at the corner of Currie and King William Streets and the Adelaide Railway Station, North Terrace, open 7 days a week.

Please disseminate this information to advise students and parents of these changes and the importance of seeking further information from the Adelaide Metro website (www.adelaidemetro.com.au) or the Adelaide Metro InfoLine on 1300 311 108 from early January 2016.
