FROM THE PRINCIPAL

Dear Parents, Caregivers, Staff and Students

Appointment of the next Principal

Jenny Sommer, our Education Director, met with Governing Council on 13 September 2016 to discuss the process that is used to appoint the next Principal of Marryatville High School. The position was advertised on the DECD website last Thursday and we can expect an announcement later in Term 4.

Official Opening - New and Redeveloped Facilities

On Monday 19 September 2016 our new facilities were opened by the Hon Susan Close MP, Minister for Education and Child Development, at a ceremony attended by over 70 guests. A number of students were involved in the ceremony and attended as guests.

Course Counselling Days

Course Counselling was very successful as a result of the cooperation of students, parents and the work of staff. It is critical that your child has chosen a course of study for 2017 as we are about to commence building the timetable. Please contact Mr Leech on 8304 8420 if your son/daughter has not finalised their program for 2017.

Health & Wellbeing Week

Monday 29 August to Thursday 1 September 2016 was Health and Wellbeing Week at Marryatville High School. Students engaged in a range of activities through our Student Life Program and at lunchtime. A very successful Parent Information Evening was held on Tuesday evening, after staff had the opportunity to be involved in a range of activities on Tuesday afternoon. The week culminated for students with a Student Expo on Wednesday afternoon featuring a range of organisations sharing information about their services. Ms Ferguson and the Wellbeing Team did an outstanding job in organising and delivering such an ambitious and successful event.

ICT Upgrade

This work continues with new switch hardware being installed. Wireless Access Points will be upgraded later in the year and planning is underway to upgrade our Internet Service.

The Year 12 students are approaching their final few weeks of practical work and have an impressive piece of work to show for their efforts.
Students this term have benefitted from Mr Rogers presence as he replaces Mr Hannaford who is recuperating from knee surgery. We have also had a Pre-Service Teacher, Miss Emily Daff, who has worked with Year 8 and Year 9 students for the past four weeks.

The Year 12 students are approaching their final few weeks of practical work and have an impressive piece of work to show for their efforts.

Our Year 11 students are working on a carcase construction project: some choosing a cabinet and several opting to make a trunk. Students had the choice of a rebate joint or through dovetails to fasten the sides together. The Year 10 students are engaged in either metalwork, constructing a tool box and centre punch, or woodwork where they are constructing a framed table with dovetailed drawer, or electronics where they have been working on a random dice project and PIC chip programming.

Year 9 students have been offered the option of an advanced unit in Technology involving some extended welding of steel figurines, dovetail box construction using Houn Pine, Cad with 3D printing and 3D milling for a night-light, and a flashing LED circuit for the light. Other Year 9 students who chose to do the standard unit are making a set of steps in woodwork, followed by some introductory welding and machining, and then basic electronic circuitry in the form of a simple alarm triggered by a light dependant resistor.

Our Year 8 students are getting an introduction to 3 areas of technology: metalwork (welding and fabricating), woodwork (cutting and shaping a spatula), electronics (constructing a simple LED torch), and an introductory unit of programming involving PIC chips programmed in Basic.

TOWN HALL CONCERT

The 40th Anniversary Celebration Town Hall Concert was a true celebration of the Special Interest Music Centre’s commitment to a high level of Music education, students’ and staff commitment to a high calibre of performance, and a most enjoyable event.

Prior to commencement, the audience was entertained in the main foyer by the Flute Ensemble, directed by Mr Alan Aungles, who is a flute teacher from Instrumental Music. Once the audience was seated and the lights were lowered, our guest Master of Ceremonies, Mr Keith Hampton began the concert. His authoritative bass voice announced items, as well as described both the ensembles and the music they were about to play.

The Senior Concert Band under the direction of teacher Ms Josie Hawkes performed two works: Danza Final from Estancia by Alberto Ginastera (arr. David John), and Hanerot Halalu & Ba’olam Haba from Shalom! by Philip Sparke.

This was followed by a Percussion Quartet which performed: Spanish Dance – Andaluza by Enrique Granados (arr. Ron Fink). This ensemble was a subset of the school’s percussion ensemble, directed by Instrumental Music teacher Mr Peter Matzik.

The Senior Choir, which consists of students from the Year 10 Special Music and Year 11 and Year 12 Musicianship classes, sang Londonderry Air, a traditional Irish song arranged by Bob Chilcott. It was directed by Head of Music Mr Aldis Sils and accompanied on piano by teacher Ms Leonie Hempton. This was followed by the song He Lives in You from the Lion King Musical by Marrayettle High School SIMC and Elder Conservatorium graduate Rachel Bruerville (words by Australian poet Lesbia Harford), and the rousing Latvian nationalistic song Gaismas Pils (Castle of Light) by Latvian composer Jāzeps Vītols.

Music Captains Imogen Tonkin and Isaac Bate then gave a heart-warming and eloquent address.

The Concert Choir, directed by Mr Aldis Sils, and their repetiteur is teacher Mr Jason Hammond, performed two pieces: Street Music, by Marrayettle High School SIMC and Elder Conservatorium graduate Rachel Bruerville (words by Australian poet Lesbia Harford), and the rousing Latvian nationalistic song Gaismas Pils (Castle of Light) by Latvian composer Jāzeps Vītols.

Music Captains Imogen Tonkin and Isaac Bate then gave a heart-warming and eloquent address.

The Junior Pops Vocal Ensemble Swingtones, directed by Music Co-ordinator Ms Jasmin Feneley then performed: A Nightingale Sang in Berkley Square, lyrics by Eric Maschwitz Music by Manning Sherwin arranged by Gene Puerling. The soloist was Shayla Platt.

The Senior Vocal Ensemble Pops Vocal, directed by Mr Jason Hammond, sang: Pure Imagination by Bricusse/Newley, arranged by Steve SeGraves, and Somebody to Love by Freddie Mercury arranged by Adam Anders, Tim Davis adapted by Roger Emerson. Somebody to Love was accompanied by a small rock ensemble including: Mr Jason Hammond, Patrick Pike, Arthur Craig, and Caspar Hawksley.

The evening ended with the School Orchestra directed by Mr Aldis Sils performing The Dance of the Knights from Romeo and Juliet Suite by Sergei Prokofiev, and Crown Imperial by William Walton.

**Performances at the SASPA (Principals’ Association) Conference**

On 18 and 19 August 2016 the String Quartet and Wind Quintet performed at the SASPA (Principals’ Association) conference at the Wine Centre. Each ensemble performed approximately half an hour of music each morning, as a welcome to the conference delegates. Positive feedback both at the conference and afterwards highlighted the success of the performances.

**Elder Conservatorium Concert Series**

On Saturday 17 September 2016, the Concert Choir, Chamber Choir, and Pops Vocal Ensemble were guest artists at the Elder Conservatorium Evening Concert Series: a subscription series of music from the Conservatorium ensemble and special guests. In the concert Music of Many Spheres at Elder Hall, the Marryatville High School Ensembles joined the Elder Conservatorium Chorale with individual brackets of music:

- **Marryatville High School Chamber Choir**
  - Conducted by Ms Leonie Hempton OAM
  - *Dieu! Qui la fait bon regarder* - Claude Debussy
  - *The Cloud Capp’d Towers* - Ralph Vaughan Williams
  - *Over Hill, Over Dale* - Ralph Vaughan Williams
  - *Double Double Boil and Bubble* - Jaakko Mantyjarvi

- **Marryatville High School Pops Vocal**
  - Directed by Mr Jason Hammond
  - *Pure Imagination* - Bricusse/Newley, arranged by Steve SeGraves

- **Marryatville High School Concert Choir**
  - Conducted by Mr Aldis Sils
  - *Street Music* - Rachel Bruerville
  - *Mironczarnia* - Jakub Neske
  - *Gaismas Pils* - Jazeps Vitols

The Elder Conservatorium Chorale, directed by Mr Carl Crossin OAM, performed two brackets of music, and included a work *The Caged Bird*, by former Marryatville High School SIMC student Lily Coates.

The concert ended with two works by the combined choirs. The first was *Angel Lovers* by Australian composer Paul-Antoni Bonetti, conducted by Mr Aldis Sils, and the final was Rachmaninov’s magnificent *Bogoroditse Devo* directed by Mr Carl Crossin.

This collaboration with the Elder Conservatorium has been an initiative between director Mr Carl Crossin and Head of Music Mr Aldis Sils. It is the third major collaboration for the school’s Choral Program this year. The first was participation in the ANCA choral master-class with Mr Jerry Blackstone. The Concert Choir was the core of the ‘Big Sing’ event, where members of the public were invited to be coached on various aspects of the choruses from Mozart’s Requiem, by renowned conductor Mr Jerry Blackstone. The second event was the extraordinary thrilling master-class with Mr Stephen Leyton, arguably one of the most acclaimed living choral directors, to which the Concert Choir was invited by Musica Viva.

It is clear that the Music Program which is now fundamental to the Music curriculum at Marryatville High School, has produced outstanding results; that our choirs and vocal ensembles are invited to take part in workshops and concerts is testament to the music ethos, achievements and aspirations of our Music Centre.

Mr Aldis Sils  
Head of Music

**Brighton Secondary School Major Concert**

On Saturday 10 September 2016 the String Quartet represented Marryatville High School’s Special Interest Music Centre at Brighton Secondary School’s Major Concert. Held in their new school auditorium, the Jeffrey Kong Concert Hall, the concert consisted of two parts. In the afternoon the program was filled with the school’s junior ensemble, while in the evening the program highlighted the senior ensembles.

The four Special Interest Music Centres have supported each other’s concerts by providing guest artists for three years.

**An Evening of Shakespeare at the Cathedral**

On Sunday 11 September 2016, the Chamber Choir, directed by Ms Leonie Hempton performed at the St Peter’s Cathedral event which highlighted works based on texts by the Bard. The Chamber Choir performed: *Double, Double, Toil and Trouble* by Finnish composer Jaakko Mantyjarvi, and then *The Cloud Capp’d Towers and Over Hill, Over Dale* by Ralph Vaughan Williams.

The choir performed beautifully, filling the cathedral with a serenity and bliss.

Marryatville High School Newsletter | Issue 9 | September 2016
Marryatville High School recently conducted a Resilient Youth Student Action Day. Since January 2013 Resilient Youth Australia has surveyed over 100,000 students from Year 3 to Year 12, in over 400 government and independent schools across Australia.

Our involvement in the survey is motivated by our desire to strengthen our approach to wellbeing and develop a more authentic approach to Student Voice.

Invited participants had the opportunity to take part in a whole day workshop where we worked in year level groups to:
- Improve our understanding of the importance of resilience and wellbeing
- Undertake an audit of Student Voice at Marryatville High School
- Analyse our year level data from the Resilient Youth Survey
- Share perspectives on the survey findings
- Identifying areas for improvement
- Brainstorm ideas for action
- Develop plans for future student action

Student and staff feedback from the day was overwhelmingly positive. Some of their comments included:
- ‘With involvement of everyone, the ideas we came up with can make a difference.’
- ‘It is important for students’ voice to be heard and the session today will really help that.’
- ‘As a year level team we went into depth about some of the underlying issues for kids at school and came up with ideas about how to resolve them.
- ‘Today helped target the exact areas where action is needed. Great that you are engaging the students to realise the bigger picture of student wellbeing at school’

GOVERNING COUNCIL REPORT

Sustainability Initiative Progresses

The Sustainability Committee of Governing Council has formulated a draft plan for initiatives to further its goals. Governing Council is pleased to advise that it has resolved to create a provision in the school budget to fund various pursuits.

The committee is now working on specific target items to commence the process of cultural change and implementing practical measures that may be adopted in this valuable endeavour. Upon finalisation on measures to adopt the required financial goals will be known and a level of funding will be sought.

We encourage the entire school community to join in making this exciting project an effective and lasting one. More details on this topical initiative will be communicated as we progress.

Recruitment Process

The meeting held on 13 September 2016 was attended by Regional Education Director, Ms Jenny Sommer who guided council members through the recruitment process for the vacant Principal’s position. Ms Sommer is the Chairperson of the selection panel and will be joined by Council Chairperson Lorraine Karunaratne, a peer member and a staff representative.

Jenny’s presentation was informative and afforded council members a vital opportunity to raise a number of qualities considered essential for the successful appointee to continue on the good work established by Mr Mark Leahy during his tenure at the school.

Holiday Cheer

Governing Council wishes all students and families a happy and productive holiday break and especially our Year 12 students who are nearing this most vital time of their final year.

Mr Gino La Barbera
Governing Council Member
‘STEPTEMBER’
807 Year 8 Community Project
At Marryatville High School, Year 8 Home Groups work together on one project (or several mini projects) that reflect or help develop our school community in some way. All the projects are presented to the Year 8 cohort during the Student Life Program in Week 8 of Term 4.

Our Home Group, 807, has chosen to participate in the Steptember charity event raising money for and awareness of Cerebral Palsy. The students and I are committed to walking more than 10,000 steps per day and seeking sponsorship through family and friend networks. Each student received their own pedometer and we will be spending some home group time walking the school grounds and building up those steps!

The team names are; Ella’s Mob, Izzy’s Mob, Derek01, Jessica’s Mob, Kyle’s Team and Sarah’s Mob. Alternatively, you can search Marryatville High School or donate straight to the cause.

Please visit the website and have a look. Our teams are logging steps as they go.

YEAR 10 JAPANESE EXCURSION TO HIMEJI IZAKAYA AND RAMEN RESTAURANT
On Friday 9 September 2016 our Year 10 Japanese class travelled to the Himeji Izakaya and Ramen Japanese Restaurant on Grote Street for a delicious lunch.

Students were able to enjoy dishes such as sushi, tempura, ramen noodles, yakitori chicken and tonkatsu pork. They used their language skills to begin and finish the meals and were able to compliment the Japanese chef on the delicious food in Japanese. It was also entertaining to see some of the attempts at using chopsticks and tasting wasabi for the first time. A wonderful time was had by everyone.
