From the Principal

Dear Parents, Caregivers, Staff and Students

Term 1 Reports & Parent Teacher Interview Night
Term 1 Student Reports were distributed to students on Wednesday 3rd April. I encourage you to take the opportunity to discuss your daughter’s / son’s report with them. Details relating to Parent Teacher Interview Night on Wednesday 10th April were included with Reports.

Sports Day
The Marryatville High School Sports Day was held at Santos Stadium on Wednesday 20th March. The occasion was an outstanding success and I was very impressed with the sportsmanship and behaviour of students. Competitors and spectators obviously enjoyed the day. I would like to thank Mr Byles, Ms Vivian, Mr Caire, Physical Education staff and House Leaders for their work in organising a very successful event and all staff for their support on the day.

Grandparents Day
I was delighted to see so many grandparents of our Year 8 students visit the school on Friday, 1st March. It is a powerful statement about the value placed on education by our school community.

Weight of Bags Carried by Year 8 & 9 Students
There is justifiable concern amongst parents of students in Years 8 and 9 about the weight of their child’s bag when it includes a laptop and case. I have asked teaching staff to set homework which minimises the need for students to carry heavy text books. A number of faculties have access to electronic text books. I am working with the Senior Leadership Team to address this concern.

Year 7-8 Transition
If you have a son or daughter in Year 7 who currently attends a school other than a Department for Education and Child Development primary school and who wishes to enrol at Marryatville High School for 2014, you can either contact the Felixstow Regional Office to request an enrolment form (8366 8800) or Marryatville High School has a limited number of enrolment packages.

Pupil Free Days 2013
The following Pupil Free Days have been approved by Governing Council:
Monday 29th April
Staff Training and Development
Friday 7th June
Staff Training (Australian Curriculum)
Monday 22nd July
Staff Training and Development
Friday 6th September
Staff and Student Show Day
(Royal Adelaide Show)
Friday 29th November
Staff Training (Australian Curriculum)

SA Public Teaching Awards
Share Celebrate Reward
Nominations are now open for the 2013 SA Public Teaching Awards.
Don’t miss your chance to nominate an outstanding education professional of the South Australian Public Education system.
The SA Public Teaching Awards aim to recognise and reward dedicated teachers, education leaders and support staff who have made an inspirational contribution to young South Australians.
To nominate a member of your school go to: www.decd.sa.gov.au/teachingawards
Nominations close 5.00pm Monday 13 May 2013.
For further information contact Virginia Barter on 8226 3079 or email virginia.barter@sa.gov.au

Last Day of Term 1
Students will be dismissed at 2.30pm on Friday 12th April.

Mark Leahy
Principal

See page 2 for Drama News – Congratulations to our 2012 cohort who continued the long tradition of Marryatville High School Drama students excelling at Year 12.
OUTSTANDING 2012 YEAR 12 DRAMA RESULTS

Congratulations to our 2012 cohort who continued the long tradition of Marryatville High School Drama students excelling at Year 12.

Thirty three students studied Drama at Marryatville High School, which was the largest cohort in South Australia. Seventeen of our students gained an ‘A’ which is significantly above the state average.

Students who gained an ‘A’ were: Sam Althuizen, Andrew Baird, Bea Blackwell, Tom Dahlenburg, Ursula De Leeuw, Caitlin Finnis, Jade Foster, Riley Ingham, Tim Jucius, Olivia Sanders-Robinson, Riley Stradling, Callum Warender, Catrin Williams plus the four merit award winners.

SCORCHED

The 2013 theatre production season is in full swing. Mr McVicar’s Year 12 class will present their production of Scorched from May 22-24.

Scorched tells of a twin brother and sister whose dead mother’s will requests they return to her Middle Eastern birthplace to find their missing father, whom they have never met, and a brother they never knew about. It is a story about the mystery and burden of origins but it is also about childhood, family, civil war, justice, solitude, and repairing trauma by breaking silence. Intellectually stimulating, politically relevant, and poignantly poetic, the play describes a world with a voracious appetite for destroying the vulnerable. Please note that the play is suitable for 15+

MERIT AWARDS FOR DRAMA

There were 21 Drama merit certificates awarded across the state – (merits are awarded to the top students who gained an A+).

Four of those merits were awarded to students at Marryatville High School which equates to almost 20% of the top Drama students in SA being from Marryatville High School. The merits were awarded to:

Tilly Cobham-Hervey – who continues in her career as a theatre and film performer with two movies in which she played the lead role being released this year, performing with her physical theatre company at The Fringe and auditioning for film and theatre roles in Sydney.

Madeleine Coutts – who is enrolled in Marine Biology at Adelaide University and is keen to continue acting.

Harry Covill – who is working on productions for Windmill Theatre Company while he plans the next stage of his career as a theatre designer and actor.

Candice MacAllister – who has moved to Melbourne and is working hard in her first year of the prestigious theatre design programme at the Victorian College of the Arts.
MARRYATVILLE HIGH SCHOOL STUDENT MAKES THE AUSTRALIAN FINALS OF CLASS CLOWNS

In March, the Marryatville High School Drama faculty hosted the state finals of ‘Class Clowns’, at The Forge. Class Clowns is a secondary school competition for budding comedians which is conducted Australia wide as part of The Melbourne Comedy Festival.

We had five entrants - Alex Green (stand-up comedy) who was a runner up, Emily Hatwell and Lily Mounkley (sketch comedy), Scarlett Groom-Hansom (a 2012 Australian finalist – sketch comedy) and Luna De Lara who created an unique stand-up/sketch routine done in beat poetry style which was based on being a passenger in an airplane. Congratulations to Luna who has been invited to take part in the Australian Finals at The Melbourne Town Hall, in June.

MR EUSTICE AND MR KILVERT

Mr Eustice and Mr Kilvert are in rehearsals for the Year 11 Drama production which will be presented in The Forge on June 5 and 6.

Mr Eustice’s class is presenting ‘Abigail’s Coven’. Set during the Salem Witch Trials, this powerful play looks behind the scenes of Arthur Miller’s, ‘The Crucible’. Tragic consequences occur when peer pressure, ritual and jealousy overwhelm individual morality.

Mr Kilvert’s class is presenting ‘Falling into Dust’, an adaptation of Arthur Miller’s play ‘Incident at Vichy’. Set in 1942 Vichy France, the play reveals the immobilising power of denial that allowed the French police to round up French Jews and send them to the camps in Poland.

TRULY INTERNATIONAL – THE SINGAPORE DRAMA TOUR

A Drama exchange has existed between Marryatville High School and Anderson Secondary School (Singapore) since 2001.

This year, sixteen students and three teachers (Mr McVicar, Ms Bushnell and Mr Eustice) will visit Singapore for four days of cultural touring, followed by a week long program at Anderson Secondary School, culminating in a co-production of the play ‘Original Child Bomb’ at a local theatre, and finally a four day cultural tour of Penang (Malaysia).

During the week at Anderson Secondary School our students attend classes, rehearse with the Anderson Theatre Circle and undertake a homestay program while the teachers are involved in developing collaborative Drama programmes with their Singapore colleagues and preparing the students for the production.

The Anderson students visited Marryatville High School last year when we started the rehearsal process for this year’s production, ‘Original Child Bomb’ which looks at the events leading up to the atom bomb being used on Hiroshima. Both groups rehearse once a week and as the production develops the Marryatville High School and Anderson students will swap (via the Internet) film of rehearsals and ideas for choreography, music and props.

The Drama tour immerses our students into the culture of Singapore and Malaysia, creates lasting bonds between students and supports the Marryatville High School internationalism vision and the Australian Curriculum’s Studies of Asia initiative.

David McVicar
Coordinator, Drama
Music News

What a term this has been! Once again it has been extremely busy and filled with wonderful experiences. It has been a pleasure to work with the staff in a different role and to work with the talented students that we have at Marryatville High School Special Interest Music Centre.

I had the pleasure of travelling to Monarto last week with the 82 home group. Despite the extreme heat, the students immersed themselves into the experience and worked as a team throughout the day. There was even a bonus tour of the animals afterwards, including the beautiful new baby chimpanzee.

Last Friday we were lucky enough to have one of our small Jazz ensembles, Full Stop, perform at the Crows vs Essendon match. The students are to be commended on the way that they performed; it was professional, cool and fun!

Preparation of the Choral Tour is well underway! We have had a great response from the interested families, all deposits are paid and the music from Marryatville High School will be invading the borders of Eastern Europe!

Still to look forward to this term is the excursion to the Idea of North workshop at the Elder Conservatorium. The Choral Concert and Jazz Cabaret are in Week 11 and tickets are still available and can be purchased from Julie Johnson on 8304 8431.

Early next term is the Generations in Jazz competition in Mount Gambier. This year we are taking three big bands and two vocal ensembles. It once again promises to be an exciting weekend.

Thanks for the term!

Jasmin Bowden
A/Head of Music

Full Stop members: Sidney Millar, Sebastian Hogan, Jack Strempel, Louis Cann and Lewis Todd.

Marryatville High School Special Interest Music Centre

Concession $10

**WHEN IS THE BIG SCIENCE COMPETITION?**

In 2013, the Big Science Competition will take place on the 22 and 29 May 2013.
The cost is $7 (ex GST) per student.
Year 8 students get a subsidy and only need to pay $3.50.
Please give your name to your science teacher who will then give you a pay in slip.
Payment must be received by Monday 8 April otherwise students will not be able to enter.

David Graham
Science Teacher

**Science News**

**WHAT IS THE BIG SCIENCE COMPETITION?**

Suitable for students of all abilities in Years 7 -12, the Big Science Competition is a one hour paper of 30 multiple-choice questions held at school.
The questions are designed to challenge students to think critically and solve scientific problems using everyday examples.

Please give your name to your science teacher who will then give you a pay in slip.
Payment must be received by Monday 8 April otherwise students will not be able to enter.

**David Graham**
Science Teacher
YEAR 9 STUDENT LIFE PROGRAM AND INDUCTION 2013

The Year 9 students have had an exciting start to 2013, taking part in a variety of programs.

During Induction Week, they attended a session by guest speaker Graham Hyman from Youth Specialties Australia. Graham spoke to the students about being responsible for their own actions and taking charge of their lives by making the right choices.

Also during Week 1, the students attended a performance by Brainstorm Productions, a group out of New South Wales. This production dealt with issues such as Cyber Bullying, Digital Citizenship, Social Websites, Internet Security, Exclusion, Alienation and Isolation, Responsible Use of Technology and Internet Addiction. The students had an opportunity to discuss these issues with the actors after the performance.

On the same day, the students headed out to the front oval for an afternoon of physical and problem solving activities with the team from Life! Be In It. They threw each other into the air using a canvas parachute as well as developed team skills with tasks like “Crossing the River” and “Earth Ball”. The students had a great afternoon with everyone taking part.

In Week 4, the students saw a performance by acrobatics troupe Solid State Circus. The performers, including world record holding sword swallower Aerial Manx, talked to the students about team work and that we are not alone in the world. There are people here to support us in everything we do. It was an amazing performance and we plan to have them back in 2014.

As an ongoing part of the Student Life Program, the entire Year 9 cohort is undertaking the BELS First Aid Course with the Red Cross. The course comprises an online component culminating in a 4-hour practical session in Term 2.

The students will also participate in Year 9 Aquatics Camps in Weeks 2 and 4 in Term 2. The boys will all go in Week 2 and the girls will all go in Week 4. It’s certainly a busy time for them!

Bryce Woodley
Year 9 Manager
SSSSA INDIVIDUAL TENNIS CHAMPIONSHIP RESULTS - 2013

The competitions for the girls were held on Thursday March 14th followed by the boys on Friday March 15th at the Millswood and Peake Gardens tennis venues.

They were both very successful days for our tennis players with some great results. Congratulations are extended to the overall winners - Alexander Martin (Winner of Year 9 Boys), Yuya Ito (Winner of Year 10 Boys) and Isabella DeCorso (Winner of Open Girls). Congratulations also to Oliver Taylor (runnerup in the Open Boy’s final), Tiffani Donohoe (Winner of Open Girls Consolation) and Kuru Shirakawa (runnerup in the 10 boys Consolation final).

As a school with a Special Interest Tennis focus, it is important that we support tennis events conducted by SSSSA. It gives us the opportunity to compete against players from other schools and to have such good results over all year levels is extremely pleasing. I was very pleased with the individual on court efforts from players, the level of sportsmanship shown to opponents and the behaviour displayed off court during both days. I would like to thank Mr. Zeitz for his supervision at Millswood on Friday’s competition and to all parents who had to go out of their way to transport students to the venues.

Year 8/9 Girls results: (all players seeded)
Natasha Waterman SF
Georgia Minuzzo SF
Simeona Stakic QF
Yuka Goto QF
Emma Pienaar QF
Marie Broikos R16

Year 8 Boys (3 boys seeded)
Jack Newcombe SF
Connor Russell QF
Zac Nurton R2
Taish R1

Year 9 Boys (all boys seeded)
Alexander Martin Winner
Arish Kanga SF
Scott Pearse SF
Elliot Taylor R2

Year 10 Boys (8 players seeded)
Yuya Ito Winner
Jean Paul DeCorso SF
Anthony Pietrafesa SF
Andrew Citti QF
Kane Nurton QF
Boris Vujicic QF
Koki Oi R16
Takumi Mano R16
Leighton Fuller R16
Jack Klose R16
Takeshi Miyabe R2
Kuru Shirakawa Runnerup Consolation

Open Girls (all girls seeded)
Isabella Decorso Winner
Emilie Albrechtsen SF
Masha Lobanova SF
Tiffani Donohoe Consolation Winner

Open Boys (7 players seeded)
Oliver Taylor Runnerup in Grand Final
Mikih Kanga QF
Hiro Kayanagi QF
Luca Cassiano QF
Shun Takami R16
Jack Foord R16
Kyohta Suzuki R16
Yuki Inoue R2
Dimitri Andonopoulos R2
Jiwon Kim R2
Thanasi Trigonis R2

Congratulations and well done to all players

Sue Dansie
Special Interest Tennis Manager
Student Voice

The term is nearly at an end and the SRC is gradually implementing some of its projects and plans.

In Week 9, we begin delivering workshops to home groups based around student mental health as part of the Student Life program.

The SRC has undergone training over the past few weeks with Ms Jenny Hunter and will now present the sessions to the student body.

Last week, Inara Goodridge (School Captain) and Daniel Trezise attended National Youth Constitutional Convention in Canberra and Lucinda Hayman was also in Canberra and Sydney as part of the ‘Make Poverty History’ program.

Home Groups have conducted meetings lately and presented the SRC Executive with feedback about a range of issues from OHS&W to Big Day In.

We are planning to hold a Casual Day before the end of term to raise funds for a yet to be finalised charity.

We have also signed up to support Legacy during their badge week later in the year and the Red Cross blood van will be visiting soon.

SPORTS DAY

The SRC ran its annual cake stall at Sports Day again this year raising over $100 for Animals Australia.

Thank you to those who baked and donated time and goods. There are still a few Tupperware containers that were left behind. These can be collected from the SRC office in the Pines during home group.

Steve Heard
SRC Manager

CO-CURRICULAR ENVIRONMENT CLUB REPORT
FIRST CREEK FIRST ACTION

The Marryatville High School Environment Club has commenced action to improve and care for the catchment of our school site portion of the First Creek.

Initial action ensured that 1 kilo of plastic and paper waste did not go downstream. Students are invited to be involved. Simply see Ms O’Hara to gain the parent/guardian consent form. The daily bulletin advises students of meeting times and action sessions are on Thursday during lunch (meet in D6 Art). The whole school community supports clean stream action by demonstrating reducing, recycling and reusing waste strategies.

Maeve O’Hara
Visual Arts Teacher

HOMESTAYS NEEDED

In 2013 Marryatville High School will again host two short study tours from Japan, one in August (Koishikawa) and the other in November (Ritsumeikan). Homestay families are urgently needed to host these students and to help us provide a taste of Aussie Life.

The study tours are an excellent opportunity for our students and their families to share Australian culture as well as learn about Japanese culture. There is a weekly homestay payment of approximately $200.00 per week which covers full board. Bus tickets and taxis are provided if needed.

Your support would be greatly appreciated. Please contact Sarah Goldfain or Phyllis Dimou on 8304 8420 or email sarah.goldfain857@schools.sa.edu.au or phyllis.dimou361@schools.sa.edu.au if you would like to host a student.
IT News

BACKING UP IMPORTANT FILES

Consider the inconvenience of having to recreate all of the information stored on your home computer or a laptop - how much of it is important to you or your family - and how much of it might actually be irreplaceable.

Consider not only the documents folders where you store the files you create, but also your Web browser bookmarks, contact databases, and files stored on your desktop.

It’s generally not practical or appropriate to back up copies of programs you have installed, but you should always make sure you keep the installation disks or files. This way, you will be able to reinstall programs that you own, if your computer is reimaged or replaced.

There are a number of ways to back up your data. They generally fall into two categories: backing up to a network and backing up to an external disk or drive.

All staff and students have a personal drive on our network where they can store files not intended to be shared with others. Additionally, each area of learning has its own drive where teachers can store files that are intended for collaboration or sharing with colleagues and students. Both of these drives are good locations for students and staff to store copies of important files after making changes to them. These network drives are backed up automatically at the end of each day.

There are a variety of types of external hard drives which can write your data to for back up. Additionally, USB drives come in a variety of sizes; some very small and portable, some too big to carry every day. The larger USB drives are a generally reliable option for backing up your data. However, the smaller thumb or flash drives are only recommended for temporary storage of data, such as carrying information from home to school for a presentation. USB drives fail frequently and are not recommended for long term storage. Some of these large external hard drives can be setup to automatically backup particular folders off your computer of laptop.

You should back up your data as soon as you have created enough new files or changes to existing files that it would be difficult to recreate them, if lost. If you are saving to the local drive of your computer backing up every couple of days is advisable.

If students are studying a SACE subject and they lose their work, either through losing their USB drive or when a computer system crashes, loss of work in this way is not grounds for misadventure in most cases, as the student should have backups in different places. (Information from The Information Processing and Publishing Assessment Report Page 4 of 6)

Tip for Students: At the end of each day that you have worked on an assignment, consider uploading the document to your drive, or e-mailing a copy of the file to yourself. This way, the current version will be backed up in a secure location.

Steve Knipe
Senior Leader

RESEARCH PROJECT

The Research Project is a compulsory part of the new SACE. To complete SACE and receive an ATAR score, students must achieve at least a C- grade.

A small number of students in Year 12 have still not submitted their projects. The first opportunity for students to send their projects in for moderation is around the middle of next term.

We have identified those who still need to submit their work and given them the opportunity to negotiate how they will complete the project.

For students who need individual support, Mr Heard is available during lessons 1 and 2 on Wednesday and Thursday mornings.

If your son/daughter is one of these people, I would appreciate your support in assisting them finish off their projects before the demands of Year 12 increase.

If you have any inquiries or wish to know the status of your son/daughter’s project, feel free to contact me at the school.

Steve Heard
Research Project Coordinator
CIS – INTERNATIONAL STUDENT REGISTRY SERVICE

Year 10 and 11 students who wish to pursue an international education are invited to participate in the Council of International Schools – International Student Registry Service to receive free admissions information from CIS Member Colleges and Universities in Asia, Australia, Canada, Europe, the Middle East, the United Kingdom and the United States. There is no cost to students and registration requires minimal effort. See Mrs Hudson in the counselling area for an application form.

TERTIARY STUDIES & CAREER EXPO 2013 – ADELAIDE

When: Sunday 12 May 2013 – Monday 13 May 2013; 10am – 4pm
Venue: Adelaide Convention Centre, North Terrace, Adelaide, SA

TSCEA is an exciting event for anyone seeking to explore their tertiary studies, training and career options. This event is ideal for all senior school students and prospective postgraduate students as well as career seekers. With exhibits from all public South Australian Universities, as well as those from interstate and overseas, TSCEA also features representatives from TAFE SA, Defence Forces, Private Education Colleges, student support services, as well as a significant number of graduate employers and government agencies recruiting for graduate placements.

http://www.careersevent.com/AdelaideTSCEA/Home.php

THE UNIVERSITY OF ADELAIDE – YEAR 12 HOLIDAY COURSES

Year 12 Subject Holiday Courses are available in Biology, Chemistry, Mathematical Studies, Physics, Specialist Mathematics, Study Assist Courses (Study Skills, Examination Preparation and Techniques, Excelling in Year 12).

The courses offer 15 hours of tuition, delivered over a week (3 hours x 5 days or when there is a public holiday 3 ¾ hours x 4 days). These courses give students a distinct advantage in progressing through their Year 12 studies.

GOOGLE SCIENCE FAIR 2013

Submissions close Tuesday 30th April

The Google Science Fair is an online science competition that invites people aged 13-18 to submit and conduct their own experiments. Prizes include overseas trips, scholarships and more.

BOND UNIVERSITY

Scholarship Applications Close 31st July

The range of Full-Fee and Part-Fee scholarships available to current Year 12 students intending to study at Bond in 2014 are viewable on the website.

WORKSHOP FOR PARENTS OF STUDENTS WITH DEVELOPMENTAL DISABILITIES

This workshop is for parents of students in Years 9-12 who have developmental disabilities and need ongoing formal support after leaving school.

Webinar: Tue 14th, Thu 16th, Fri 17th & Wed 22nd May
Contact: workshops@family-advocacy.com or 1800 620 588
Street Smart

YEAR 11 STUDENTS AND THE STREET SMART PROGRAM

The Street Smart program is an initiative of the RAA directed at engaging senior school students across the State in understanding the realities of a fatal car crash.

As part of the program held at the Entertainment Centre on February 28th, Year 11 Marryatville High School students witnessed a realistic crash scene re-enactment involving vehicles, emergency services and actors. They also viewed short videos about car safety and texting while driving. Thank you to David Ascoli for being our volunteer in the Wheelchair Basketball game.

Most powerful of all were the talks by people affected by a car crash, those who now live with permanent, debilitating injuries, the driver in a fatal car crash, who served a jail sentence and is filled with ongoing guilt, and a sister and father who are struggling to come to terms with the loss of their loved ones.

Both students and staff commented very positively on the program and its appropriateness for senior school students. Here are just a few comments by students:

I really enjoyed Street Smart. The entire event was well executed and very confronting. It is a “must see” for future years.
I have my Ls and seeing Street Smart has definitely impacted on the way I behave on the road - not only as a driver but as a passenger and a pedestrian.
Rhianna Pritchard

I found Street Smart very informative and I learnt a lot of vital life lessons from all the presentations I watched. Very moving and influential!
Will Mount

I thought Street Smart opened up many people’s eyes to the consequences of road activities… It was an extremely sad day but it needs to be done.
Ali Morton

Street Smart was a very organised and interesting event. It was very informative and relevant for our age group. I will never forget the stories that were shared with us. Over all very well presented but at the same time very confronting… an event I won’t forget.
Inbal Tatarko

Leonie Sawley
Senior Leader and Year 11 Leader

PAYMENT OF SCHOOL FEES

Please note full payment of school fees is required by 3rd May 2013 unless an instalment plan has been completed and returned to the school.

SCHOOL CARD GRANT

School Card assistance is available to those parents who meet the financial limits as required by the Grant.

School Card forms and information was included in the invoice pack which was posted out to you early in January this year and can also be found on the school website. As the school card grant approval process can take considerable time, we urge parents/caregivers to complete the application forms and return them as soon as possible.

ABSENTEES, LATE ARRIVALS, EARLY LEAVERS

For all absentees please call Student Services on 8304 8426.
For late arrivals from 8.30am, students need to sign in at either Student Services or the Library. Year 12 students can sign in at the Eden Park campus. They are expected to have a note for their home group teacher the next day.
Students who need to leave early need to sign out through Student Services.

Please contact Student Services if you have messages about students arriving late or needing to leave early.
